What is Bible Drill?

I have hidden your word in my heart that I might not sin against you.

Psalm 119:11 (NIV)

Bible Drill is a discipleship, scripture memory, and Bible skills program for children in fourth – sixth grades, middle school youth in seventh – ninth grades, and high school youth in tenth – twelfth grades.

Bible Drill helps participants increase in the knowledge of God's Word and how to effectively handle their Bibles. Participants will learn the names of all 66 books of the Bible in order and be able to locate them quickly, as well as memorize key scripture verses and passages.

If participation in Bible Drill is just for scripture memory – we lose. If we learn scripture without meaning – we lose. If we compete just to win – we lose. We win when we make the scripture verses and passages personal, when we are changed and can apply the meaning of scripture to our lives.

It is our hope and prayer that through this unique and distinctly Baptist program children and teenagers will apply what they learn throughout their lives. The goal is for them to develop a life-long passion for learning God's Word, hide it in their hearts, and turn to it for every challenge they will face. Bible Drill is a worthwhile investment in the long-term spiritual health of your children and teens! Your church will be greatly blessed by including Bible Drill in your ministries to children and youth.

High School Bible Drill (tenth – twelfth grades) is also a scholarship opportunity. Several of our Texas Baptist Universities offer scholarships for State winners. Please refer to the **Texas Baptist Universities Scholarship Information** page for more information.

Bible Drill includes a partnership with **Texas Baptists**. There is a **Bible Drill/Speakers' Tournament Coordinating Council**, which is made up of Bible Drill and Speakers' Tournament leaders from all across our state. This group of dedicated leaders is available to help your church, whether you are considering starting a Bible Drill program or needing fresh ideas to grow your established program.

Please contact the **Bible Drill and Speakers' Tournament Coordinating Council** by emailing bibledrill@texasbaptists.org or by calling **214-828-5287**. There is a lot of helpful information at www.texasbaptists.org/bibledrill.

Jennifer Howington is the Childhood Ministry Specialist for the Center for Church Health at Texas Baptists and she oversees all things Bible Drill and Speakers' Tournament.

Texas Baptists Eligibility Guidelines

Children's Bible Drill, Youth and High School Bible Drill, and High School Speakers' Tournament

- **Children's Bible Drill** participants must be in the fourth – sixth (4-6) grades.

☛ *We understand that some **6th graders** are in middle school (junior high) and may be in the youth/student ministry at their church. However, sixth graders can only compete in **Children's Bible Drill** at Texas Baptists events.*

- **Youth Bible Drill** participants must be in seventh – ninth (7-9) grades.
- **High School Bible Drill** participants must be in tenth – twelfth (10-12) grades.
- **High School Speakers' Tournament** participants must be in tenth – twelfth (10-12) grades.

There are four options for participation in Texas Baptists Bible Drill and Speakers' Tournaments

1. **Participants who are members of Texas Baptist Churches** are eligible to participate in all competitions and receive appropriate recognition. The Youth and High School State Bible Drill Winners and State Youth Speaker Winner are eligible to represent Texas Baptists at the National Invitational Tournament.
2. **Participants who are members of Baptist churches that are dually aligned** with Texas Baptists and another convention may participate in all Texas Baptists competitions and receive appropriate recognition. The Youth and High School State Bible Drill Winners and State Youth Speaker Winner are eligible to represent Texas Baptists at the National Invitational Tournament (NIT). ***Each church must choose to either compete with Texas Baptists or with another convention.***
3. **Participants who are members of churches not aligned with Texas Baptists** may choose to participate in Texas Baptists competitions under the sponsorship of a cooperative giving Texas Baptists church. However, if they earn the right to advance to the state finals, they *will not be eligible* to represent the Texas Baptists at the National Invitational Tournament.
4. **Participants from a private or Christian school or Homeschool Association** are welcome to participate in Texas Baptists Bible Drill and Speakers' Tournament competitions in one of these two ways.

- a. The School or Association may participate under the sponsorship of a cooperative giving Texas Baptists church. Children may participate at all levels of competition and will be eligible for appropriate recognition. The Youth and High School students may participate in all levels of competition, but *will not be eligible* to represent Texas Baptists at the National Invitational Tournament.
- b. The School or Association may participate on their own, but will be required to pay a \$500 fee. Children may participate in all levels of competition and will be eligible for appropriate recognition. The Youth and High School students may participate in all levels of competition, but *will not be eligible* to represent Texas Baptists at the National Invitational Tournament.

National Invitational Tournament (NIT)

Youth Bible Drill, High School Bible Drill and High School Speakers' Tournament winners at the **State level** become eligible to compete at the **National level**.

State Winners/NIT participants may compete again in the same age group event. If they advance to State in that same age group, **they will not be eligible for bonus points at the next year's State event** (*they may receive bonus points at church, associational, and regional events*).

No participant may compete more than once in the same age group event at the National Invitational Tournament. Previous State Winners will be required to note this when they register for the State event.

Once a participant moves from **Youth to High School Bible Drill**, they are once again eligible for bonus points (*unless they win State at that level too*).

Special Needs Participants –We want every child and teenager to be able to participate fully and receive the benefits of this wonderful program. *Accommodations can be made for special needs participants in Bible Drill and Speakers' Tournament.* Please contact your Associational Bible Drill Coordinator and Jennifer Howington *well in advance* of the competitions to discuss the best ways to help your participant with special needs be successful.

☛Please note that eligibility for High School Bible Drill and Speakers' Tournament scholarships from participating Texas Baptist Universities is subject to the guidelines of each university.

Associational Bible Drill and Speakers' Tournament Leadership

Thank you for your partnership with Texas Baptists in making disciples through Bible Drill and Speakers' Tournament! As children and teens learn to internalize and express the truth of God's Word through this *distinctly Baptist* program, it is our hope and prayer they establish a lifelong pattern of turning to God and His Word for every challenge.

Each association or network of churches is responsible for planning and implementing their **Associational Bible Drill and Speakers' Tournament**. If possible, enlist a **Bible Drill and Speakers' Tournament Coordinator**. It would be ideal if this person has experience with leading these programs or serving as a Caller or Judge in the past.

It would also be helpful to enlist a church early to host the **Associational Bible Drill and Speakers' Tournament**. All of the space requirements and needed supplies can be found in the **How to Conduct...** pages.

Communicate with the churches in your Association or Network about the date for your **Associational Bible Drill and Speakers' Tournament**. You will find the suggested date for your competition on the Texas Baptists website. The Associational event must take place before the online three-day registration period for **Texas Baptists Children's State Bible Drill, Youth Regional Bible Drill, High School Regional Bible Drill, and High School Regional Speakers' Tournament** events.

The materials available at www.texasbaptists.org/bibledrill are valuable tools for planning and conducting an **Associational Bible Drill and Speakers' Tournament**. Everything you need to know is included on the website. Read through the information on the website carefully. You can print score and tally sheets to use in your drills. If you need help or have questions, please contact the **Coordinating Council**.

The **Associational Sample Bible Drills** (*Children, Youth, and High School*) must be requested at bibledrill@texasbaptists.org or sarah.johnson@texasbaptists.org.

☺Helpful Tip!

The Association might want to print certificates for your participants!

*A qualifying score **is required** to participate in one of the Texas Baptist Regional and State events.* If there is no associational drill or tournament available, churches can offer another event or the participant's church drill scores must qualify them for the Texas Baptist events (scores must be high enough at the church drill to meet the associational criteria).

If there is an associational drill, participants must compete and qualify at the associational level to qualify for a Texas Baptists State and Regional event.

Q: *How do youth and high schoolers qualify for the **Texas Baptists State** event?*

A: The top ten participants at each of the three Regional events from **Youth Bible Drill, High School Bible Drill, and High School Speakers' Tournament** (*with a minimum score of 75*) qualify for the **Texas Baptists State** event.

Q: *Can a participant who previously won State compete again in the same age group event?*

A: **Yes, however they will not be eligible for bonus points at the State Bible Drill event, if they advance to that level again *in the same age group*.** They may receive bonus points at the church, associational, and regional levels. Once a participant moves from **Youth to High School Bible Drill**, they are once again eligible for bonus points at State. **No participant may compete more than once in the same age group at the National Invitational Tournament (NIT).**

How to Begin Bible Drill and Speakers' Tournament Programs at Your Church

- *Don't panic!* There are a lot of great helps available to begin a Bible Drill and Speakers' Tournament program.
- Contact the **Bible Drill and Speakers' Tournament Coordinating Council** by emailing bibledrill@texasbaptists.org or by calling **214-828-5287**. Let the Council know that you are interested in beginning Bible Drill and/or Speakers' Tournament at your church. *We can help!* There are experienced leaders all over our state that love Bible Drill and would be happy to help you and your church.
- There is also a lot of valuable information at www.texasbaptists.org/bibledrill. Print this important information and put it all together in a binder. Read over and familiarize yourself with the content – this will help you immensely.
- Begin praying for leadership and participants as you begin planning to start your programs at your church!
- Enlist the support of your pastor and church staff.
- Work out a budget for **Bible Drill and Speakers' Tournament** with your church.

☺Helpful tip!

These are some things you might consider including in your budget.

- Bible Drill Bibles for each participant
 - Supplies such as games, paper, poster boards, snacks, etc.
 - Travel/lodging expenses for your leaders and participants who advance to Associational, Regional, and State events
 - Special incentives and rewards
- Work with your church staff to find a weekly time slot that fits with your church's schedule to have your Bible Drill groups meet to learn and practice together.
 - a. Children, youth, and high school groups will meet separately to learn their specific materials

☺Helpful tip!

Think beyond Sundays and Wednesdays, if needed. You can offer Bible Drill any day of the week! Try to work out a time where you can have the highest level of participation.

- Begin recruiting leaders to work in Bible Drill and/or Speakers' Tournament. Look for people that are passionate about God's Word, as well as teaching children and/or teenagers.

☞ **Helpful tip!**

Many churches begin with **Children's Bible Drill**, and advance the children to the **Youth** and **High School** levels. This is not required, however. Churches can begin with youth and high school as well.

- Create your church calendar for the year, which should include all of the important dates in the Spring: your Church event, Associational event (*contact your Associational office for this information*), Children's State event, Youth and High School Regional event, and Youth and High School State event.
 - a. **The current calendar for Texas Baptists Regional and State events can be found online at www.texasbaptists.org/bibledrill.** Use this calendar as your starting point.
 - *Churches use different schedules for their Bible Drill programs. Most churches run their programs from September – May, but there are some churches that start in January. Bible Drill is flexible!*
 - Participants in the Speakers' Tournament do not necessarily need regularly scheduled meeting times, but would benefit from someone checking in with them and monitoring their progress.

☞ **Helpful Tip!**

You might also want to plan a special event (*such as a retreat, lock-in, fun night*) for your participants *before* your church event where you can offer some concentrated practice and a practice drill.

- Host an organizational and orientation meeting for leaders and parents to explain the program and give calendar information. *Make this meeting exciting and motivating as you begin the year!*
- Advertise your Bible Drill and/or Speakers' Tournament program throughout your church publications. Make sure and include your weekly meeting times and when your program begins and ends for the year.
 - a. You might want to *mail a letter* to parents of children (grades 4-6), youth (grades 7-9), and high schoolers (grades 10-12) explaining **Bible Drill** and **Speakers' Tournament** and inviting and encouraging them to participate.
- Order the Bible Drill Bibles that best fit with your church and budget. *Make sure that you order enough Bibles for each Bible Drill participant to have at least one to use.*

- a. Texas Baptists offer the choice between three versions of the Bible – *King James*, *New International Version (2011)*, and the *Christian Standard Bible*. **See the *Bible Translations and Purchasing* page so that you order the correct Bibles.**
 - b. **Churches are responsible for bringing a Bible for each participant to Associational, Regional, and State events.**
- **Bible Drill and Speakers' Tournament** runs on three-year repeating cycles. The three cycles are *Red*, *Blue*, and *Green*. All of the information about the three cycles can be found online at www.texasbaptists.org/bibledrill.
 - a. Print off the correct/current cycle verse cards and speakers' topics from the website and distribute those to your participants. *Make sure that you print off the correct Bible translation verse cards* (should match the Bibles you purchased).
- Plan a special kick-off event for your Bible Drill and/or Speakers' Tournament at the beginning of the year.

☺Helpful tip!

Many groups create a special t-shirt to wear at the competition events. While this is not a necessity, it does make the groups stand out and encourages your team. Just be sure not to put a Bible Drill verse on your t-shirt!

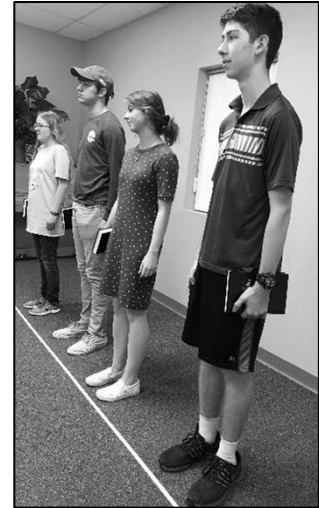

- **For more information about Children's Bible Drill, Youth Bible Drill, High School Bible Drill, and High School Speakers' Tournament specifically, please refer to the online information – specifically the individual Basics sections.**

High School Bible Drill Basics

High School Bible Drill (HSBD) is for teens in grades 10-12.

There are five commands used in a High School Bible Drill.

- a. **Attention** – At this command, participants should stand comfortably straight with their feet about shoulder width apart. Their feet should be just behind the masking tape line. Bibles should be held on either side of the body with the spine down. Participants' eyes should be on the **Caller** until start is called. Participants should remain still and ready. *Attention is also used for participants to step back over the line at the end of each call – this prepares them for the next one.*

- b. **Present Bibles** – When this command is given, participants should bring their Bible to a comfortable position at their waist area and hold it parallel to the floor. *This command is used for every call in **High School Bible Drill**.*

Fingers should *never* extend over the edges of the Bible. They should not hold the Bible right up against their stomach or hold it way out in front of them – they should be comfortable and be able to hold for several seconds.

🕒Helpful tips!

A participant that searches the Bible with their right hand should hold the Bible in their left hand with Genesis down and with their right hand resting flat on the back cover of the Bible.

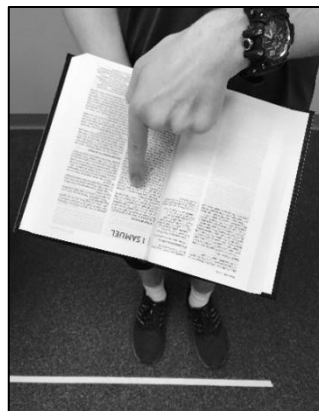

If the participant searches the Bible with their left hand, they should hold their Bible in their right hand with Genesis up and their left hand resting flat on the front cover of the Bible.

Remember that participants may not choose to search/flip the Bible pages with their dominant writing hand. Help participants discover which hand they are most comfortable using to flip and encourage them to stick with that one hand. **This will help develop their speed and confidence!**

Participants should search/flip with only one hand, while the other hand holds and supports the open Bible.

- c. **Start** – This command is the signal for participants to begin searching in their Bible. It is a mistake to move or begin before the command **start** is spoken. *Participants are given **8 seconds** to step over the line for all calls.*
 - i. The **Caller** will repeat each call once before saying **start**.
 - Once the command **start** has been spoken, the Caller will not repeat the call until a third participant is asked to answer.
 - *If a participant does not hear the call, they may ask the caller to repeat, but this must be done before the command **start** is given.*
 - ii. High School participants must place their index finger on any page of the book, verse(s), or passage called **before** stepping over the line.

- iii. ***Participants may only step over the line once during each call. It is a mistake to step back and then step over again.***

❖ **Helpful tips!**

Encourage participants to step over the line confidently!

Remind participants to stay in line with the other participants – they do not want to miss being seen or block others from being seen by the judges by taking too big or too small of a step!

Also, remind participants that they compete against each other – it matters who steps out first – they get the bonus point!

- d. **Time** – The **Timekeeper** will call time at the end of **8 seconds**. No one may step forward after this command is called. All participants must cease searching in their Bibles at this point. *Participants that did not make it over the line should quietly close their Bibles and stand at attention behind the line.*

- All participants that step over the line must then lower the front of their Bibles so that the judges can see where their finger is on the page.

At Texas Baptists Regional and State drills, the judges have finger charts that show where the participants' fingers should be on the page.

- The **Caller** will call on one participant (*by the number they are wearing*) to give the response. The other participants should remain quiet. If the participant that is first called upon cannot give the correct response, another participant will be asked to answer. This will repeat until the correct response is given.
- At **Regional and State events**, High School participants may self-correct themselves while responding to a call, but *will not be given any prompts or corrections* from the **Caller**.
- Participants must keep their eyes on the **Caller** and should not move back behind the line until the command attention is given. Once the command attention is given, participants should quietly close their Bibles (*for Book and Scripture Searching calls*) and step back behind the line and get ready for the next call.
- *Participants must raise their hands to indicate an error if they step over the line and realize that they have made a mistake.* Participants should keep their hand raised until the **Caller has acknowledged them**. Once acknowledged, the participant should quietly close their Bible and remain where they are until attention is called and everyone steps back over the line.
- e. **Close Bibles** – This command is given by the **Caller** in the **Steps to Salvation, What We Believe, and Key Biblical Passage Drills** in a **High School Bible Drill**. Participants must quietly close their Bibles when given this command and stand still with their Bibles at their side and eyes on the **Caller**. One participant will be asked to respond from memory. Everyone will step back over the line once the correct response is given and the **Caller** has given the command attention.

There are five types of calls in High School Bible Drill

✪ Print the **High School Bible Drill Card** at www.texasbaptists.org/bibledrill.

1. **Book Drill** – The **Caller** names a book of the Bible. At the command start participants must find the book, place their index finger on any portion of the book, and then step over the line. When asked to respond, the participant must name the *book before* the book called, the *book called*, and the *book after* the book called.

✪ ***There are five of these calls worth two points each in a High School Bible Drill.***

2. **Scripture Searching Drill** – The **Caller** will announce a random scripture reference. At the command start, participants will find the scripture verse(s) in their Bibles and place their index finger on that verse(s) before stepping over the line. When asked to respond, the participant will read the verse(s) and state the scripture reference.
⚡ ***There are five of these calls worth four points each in a High School Bible Drill.***
3. **Steps to Salvation Drill** – The **Caller** will state a scripture reference from the **Steps to Salvation** section of the **HSBD Card**. ***These are called in the order they are listed on the HSBD Card and all six are called in every drill.*** On the command start, participants must locate the scripture reference and place their index finger on the verse(s) before stepping over the line. When time is called, the caller will instruct the participants to close their Bibles. When called upon, the participant will recite the verse(s) and state the scripture reference.
⚡ ***There are six of these calls worth four points each in a High School Bible Drill.***
4. **What We Believe Drill** – The **Caller** will announce a question from the **HSBD Card**. On the command start, participants must correctly locate the verse(s) that answers that question and place their index finger on the verse(s) before stepping over the line. When time is called, the caller will instruct the participants to close their Bibles. When called upon, the participants will be asked to state the question asked, recite the verse(s), and state the scripture reference.
⚡ ***There are five of these calls worth five points each in a High School Bible Drill.***
5. **Key Biblical Passage Drill** – The **Caller** will announce a title of a **Key Biblical Passage** from the **HSBD Card**. On the command start, participants will locate the verse(s) listed for the passage called and place their index finger on any verse(s) listed before stepping over the line. When time is called, the **Caller** will instruct the participants to close their Bibles. When asked to respond, the participant must be able to state the title of the **Key Biblical Passage** and scripture reference. After stating the title and reference, the **Caller** will ask the same participant to recite the entire passage from memory.
⚡ ***There are three of these calls worth seven points each in a High School Bible Drill.***

There are SIX MISTAKES that participants can make in High School Bible Drill

1. Fails to step over the line within **8 seconds**.
2. Steps over the line and steps back over the line (*participants can only step over once!*)
3. Gives incorrect response. This includes raising a hand to indicate an error.
4. Fails to stand straight or keep eyes on the caller until the command Start is given. After the participant locates the scripture, their eyes must remain on the **Caller**.
5. When Bibles are being used, steps over the line before the index finger is on the correct book, verse(s) or passage.
6. Does not handle the Bible with respect. The Bible should be parallel to the floor with one hand flat on the top and one hand flat on the bottom, with no fingers extending over the edges.

- Please see **High School Bible Drill Job Descriptions** for detailed descriptions of assignments for the **Caller, Regular Judges, Bonus Judge, Timekeeper, Ready Room Coordinator, Tally Room Coordinator, and Registration Coordinator**.
- Look at the **High School Bible Drill Score Sheet**. **High School Bible Drill** utilizes four judges. Three **Regular Judges** will watch the participants and will note any mistakes they make on the score sheet. **Regular Judges** are asked to write the letter of the mistake that they saw in the scoring boxes.
- The fourth judge is a **Bonus Judge** and their job is to see which participant steps over the line first and then mark that down on their score sheet (*in the event of a tie – both participants will receive a bonus point*). **If a participant earns the bonus point, but when called upon gives an incorrect response or is counted off for another mistake, they lose that bonus point.** In this case, no one will receive a bonus point (*unless more than one participant received a bonus point*).

🕒Helpful Tip!

Some judges like to use a piece of blank paper to make sure that they stay on the right line as they are scoring.

- Participants in **High School Bible Drill** must earn a **score of 180 or more** at the **Church Drill** to advance to the **Associational Drill** and a **score of 200 or more** at the **Associational Drill** to advance to **Regional Drill**. Participants must be in the **top ten** at their **Regional Drill** to advance to **State**.

- The **Tally Room Coordinator** will add together the three **Regular Judges'** scores and any **bonus points** to give the participants their total score. *The award they receive is based on this total score.*

How do I register my high school participants for Texas Baptists Regional Bible Drill? After the suggested dates for Associational events, there will be a three-day window that registration is open. Please check www.texasbaptists.org/bibledrill for these dates and for the **online registration link**.

Please email bibledrill@texasbaptists.org **immediately** if you have questions or problems with registration.

- See instructions on the page **How to Write a High School Bible Drill** if you choose to write your own church drill or download a copy of a sample **Church High School Bible Drill** from www.texasbaptists.org/bibledrill.
- The **Associational Sample High School Bible Drill** must be requested by emailing bibledrill@texasbaptists.org or sarah.johnson@texasbaptists.org, if you are responsible for coordinating the Associational Drill.

☪ Helpful Tip!

Please note that you can download a certificate template for **Texas Baptists Youth Regional Bible Drill** events online at www.texasbaptists.org/bibledrill. Youth will receive a gold certificate seal at the **Regional Bible Drill** event that indicates the award they received based on their score, *but certificates must be provided by churches.*

Ellen Battles Lighthouse Award – 12th grade Bible Drill and Speakers' Tournament participants who have competed at Children's State, Youth Regional, and High School Regional Drills/Tournaments all nine years are eligible for this prestigious award. Please see the **Ellen Battles Lighthouse Award** page at www.texasbaptists.org/bibledrill for complete information!

What is the National Invitational Tournament (NIT)?

Youth Bible Drill, High School Bible Drill and High School Speakers' Tournament winners at the ***State level*** become eligible to compete at the ***National level***.

State Winners/NIT participants may compete again in the same age group event, but if they advance to State in that same age group, **they will not be eligible for bonus points at the next year's State event** (*they may receive bonus points at church, associational, and regional events*).

No participant may compete more than once in the same age group event at the National Invitational Tournament. Previous State Winners will be required to note this when they register for the State event.

Once a participant moves from **Youth to High School Bible Drill**, they are once again eligible for bonus points (*unless they win State at that level too*).

Special Needs Participants – One last important note! We want every teen to be able to participate fully and receive the benefits of this wonderful program. *Accommodations can be made for special needs participants in High School Bible Drill and Speakers' Tournament.* Please contact your Associational Bible Drill Coordinator and Dr. Diane Lane *well in advance* of the competitions to discuss the best ways to help your participant with special needs be successful.

How to Conduct a High School Bible Drill

For Church, Associational, Regional, and State Bible Drills

- See instructions on the page **How to Write a High School Bible Drill** in order to write your own church drill or download a copy of a sample **Church Bible Drill** from www.texasbaptists.org/bibledrill. The **Associational Sample High School Bible Drill** must be requested by emailing bibledrill@texasbaptists.org or sarah.johnson@texasbaptists.org, if you are responsible for coordinating the Associational Drill.
- Make sure that you have your event scheduled ahead of time on your church and/or associational calendars.
- Enlist people to fill these important roles. Please see **High School Bible Drill Job Descriptions** for a detailed description of these assignments. You can find these at www.texasbaptists.org/bibledrill.
 - a. Caller – 1 (*per drill*)
 - b. Regular Judges – 3 (*per drill*)
 - c. Bonus Judge – 1 (*per drill*)
 - d. Timekeeper – 1 (*per drill*)
 - e. Tally Room Coordinator – at least 1 (*depending on the size of the drills*)
 - f. Tally Room Assistant – 1
 - g. Ready Room Coordinator – 1
 - h. Registration Coordinator – 1 (*Only needed for Associational, Regional, or State events*)
 - i. Registration Assistant – 1 (*Only needed for Associational, Regional, or State events*)

☺Helpful tip!

Enlist your leaders far enough in advance that you have an opportunity to share their job description with them and answer their questions. You might want to offer a training session to make sure that everyone understands their role.

- **Resources needed to conduct a High School Bible Drill event:**
 - a. **Bibles** – One Bible is needed for each participant. *Remember that participants must bring Bibles for all Texas Baptists Regional and State events.*

☞ **Helpful tip!**

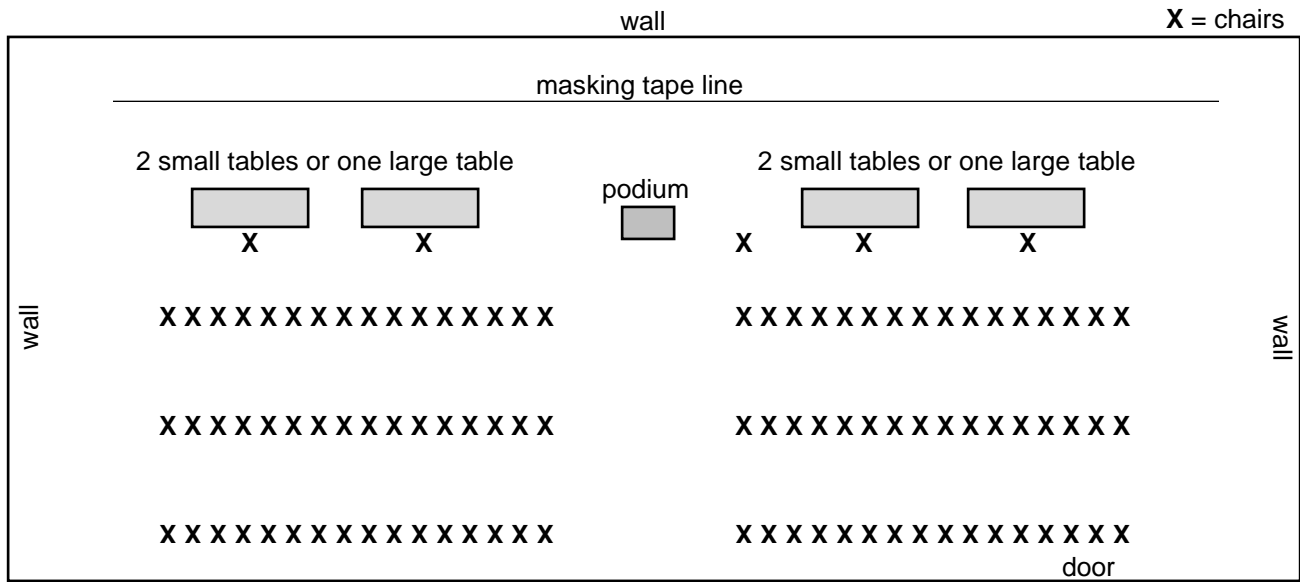

Please make sure that all Bibles brought to Texas Baptists events are checked and in good condition prior to arrival. All Bibles will be checked in the **Ready Room** for markings, additional materials, dog ears, folds, tears, etc.

- b. **Large Room** – Choose a room conducive for a drill. Make sure that you have room for the high school participants to line up (*up to 13 participants*) comfortably, with “elbow room.” Choose a room without a lot of distractions and preferably without the participants facing windows. Also, allow plenty of room for the **Judge’s** tables, podium/stand for **Caller**, and seating for families and friends who would like to watch. ***See a sample room set-up at the end of this section.***
- c. **Other Rooms** – You will also need a **Ready Room** (*where participants prepare to drill*) and a **Tally Room** (*where final scores are tabulated*).
- d. **Tables** – You can use small tables or desks (*one for each Judge*) or two large tables on either side of the **Caller’s** podium/stand. *Arrange the tables/desks at the front of the drill room – in a place where all participants can be seen.*
- e. **Chairs** – Place chairs for the four **Judges** at their tables. The **Timekeeper** also needs a chair, but not a space at a table. *Arrange plenty of chairs facing the participants for parents and other spectators.*
- f. **Podium/Stand** – The **Caller** will need this to hold the drill papers. *Place in the center of the taped line and at least three feet from the participants.*
- g. **Drill** – The same drill is used for all **High School Bible Drill** lines – you will need multiple copies if there is more than one line drilling at the same time. *Do not allow high school participants to watch other high school drills before they have drilled.*
- h. **Instructions for Spectators** – These should be read prior to the drill so that all spectators understand the guidelines. You can download these instructions at www.texasbaptists.org/bibledrill.
- i. **Numbered Stickers** – A number sticker is needed for each participant (1-13; *you can only have up to 13 participants per drill line*). These should be about 3”x3” in size with large, easy-to-read numbers printed on each one.
- j. **Numbered Sticker Sheets** – This is used to collect the numbered stickers from the participants after their drill is complete.

- k. **Score Sheets** – Three are needed for each drill line – one for each **Judge**. You can download these from www.texasbaptists.org/bibledrill.
 - l. **Tally Sheet** – One is needed for each drill. These can be downloaded from www.texasbaptists.org/bibledrill. These are needed in the **Tally Room**.
 - m. **Stopwatch** – One is needed for each drill line.
 - n. **Masking tape** – This is used to make a straight line on the floor which participants will step over. Make the line as long as you can in your room to allow the most space for participants.
 - o. **Pencils** – Provide at least 2 per **Judge** and for the **Caller**.
 - p. **Blank paper** – **Judges** might like to have some to help them follow along the lines of the score sheet. The **Caller** may also need some paper to make notes.
 - q. **Window coverings** – Plan to cover door windows and other windows that might cause a distraction for the participants.
 - r. **Signs** – Signs are needed at the **Ready Room(s)**, **Drill Room(s)** and **Registration entrance** and **desk**. It is also a good idea to have signs to remind spectators and participants to ***remain quiet*** in the hallways. Signs are also needed to indicate that a ***drill is in progress***.
- The maximum number of participants for one drill line is **thirteen**. *If you need more than one line, balance the number of participants in each line to be fair.*
 - Allow about **45 minutes** for each **High School Bible Drill** – this includes transition time.
 - *Remember that drills and verses are different for children, youth, and high schoolers. These groups cannot drill together!*
 - Invite parents, family, and friends to come and watch the high school drill! It is absolutely awesome to watch teens demonstrate all that they have learned and it is inspiring to hear God's Word spoken and handled so effectively!

How to Write a High School Bible Drill

- Each drill should be written out completely for (or by) the **Caller**. Every word to be spoken by the **Caller** and all the correct answers should be written out clearly, including some reminders for the **Caller**. There is a **High School Bible Drill Example** that can be found at www.texasbaptists.org/bibledrill.
 - There are five sections to a **High School Bible Drill**. These five sections each have different numbers of calls, which *total twenty-four calls*. The current **High School Bible Drill Card (YBD Card)** can be located at www.texasbaptists.org/bibledrill.
1. **Book Drill** – The **Caller** names a book of the Bible. At the command start participants must find the book, place their index finger on any portion of the book, and then step over the line. When asked to respond, the participant must name the *book before* the book called, the *book called*, and the *book after* the book called.
⚡ ***There are five of these calls worth two points each in a High School Bible Drill.***
 2. **Scripture Searching Drill** – The **Caller** will announce a random scripture reference. At the command start, participants will find the scripture verse(s) in their Bibles and place their index finger on that verse(s) before stepping over the line. When asked to respond, the participant will read the verse(s) and state the scripture reference.
⚡ ***There are five of these calls worth four points each in a High School Bible Drill.***
 3. **Steps to Salvation Drill** – The **Caller** will state a scripture reference from the **Steps to Salvation** section of the **HSBD Card**. *These are called in the order they are listed on the **HSBD Card**.* On the command start, participants must locate the scripture reference and place their index finger on the verse(s) before stepping over the line. When time is called, the caller will instruct the participants to close their Bibles. When called upon, the participant will recite the verse(s) and state the scripture reference.
⚡ ***There are six of these calls worth four points each in a High School Bible Drill.***
 4. **What We Believe Drill** – The **Caller** will announce a question from the **HSBD Card**. On the command start, participants must correctly locate the verse(s) that answers that question and place their index finger on the verse(s) before stepping forward over the line. When time is called, the caller will instruct the participants to close their Bibles. When called upon, the participants will be asked to state the question asked, recite from memory the verse(s), and state the scripture reference.
⚡ ***There are five of these calls worth five points each in a High School Bible Drill.***

5. ***Key Biblical Passages Drill*** – The **Caller** will announce a title of a **Key Biblical Passage** from the **HSBD Card**. On the command start, participants will locate the verse(s) listed for the passage called and place their index finger on any verse(s) listed before stepping over the line. When time is called, the **Caller** will instruct the participants to close their Bibles. When asked to respond, the participant must be able to state the title of the **Key Biblical Passage** and scripture reference. After stating the title and reference, the **Caller** will ask the same participant to recite the entire passage from memory.
❖ ***There are three of these calls worth seven points each in a High School Bible Drill***

- Choose five books of the Bible for the **Book Drill**. Make sure and choose some from both the Old and New Testaments.
- Choose five random verses for the **Scripture Searching Drill**. Balance between the Old and New Testaments.
- Remember that all six verses of the **Steps to Salvation Drill** are called in order in every drill!
- Make five choices from the ***What We Believe Drill*** and three from the ***Key Biblical Passages Drill*** from the **YBD (Red, Blue, or Green Cycle) Verse Card**.
 - a. Make sure you know the *correct color cycle* for the year you are drilling (*Red, Blue, or Green*)!
 - b. *Make sure that you choose the correct version of the Bible – it must match your church Bibles (CSB, KJV, or NIV).* These verse cards can be downloaded from www.texasbaptists.org/bibledrill.
 - c. Remember that at the **Associational Drill**, *it is very important to include all three Bible versions when you host your drill. Participants with different Bible versions can all be in the same drill* – just make sure that whatever versions of the Bibles are being used, they all must be called. And make sure that your **Caller** is aware of the Bible versions being used.
- Refer to the **High School Bible Drill Example** to help write a drill, if needed.

High School Bible Drill Job Descriptions

★ CALLER ★

The **Caller** is the one “in charge” of a drill. **Callers** should keep the drill moving along at a relaxed pace. Thank you for serving in this important capacity!

Most High School drills last about 30 – 40 minutes.

BEFORE THE DRILL

- See the **High School Bible Drill Example Drill** to practice calling and to become familiar with what the drill will look like. This can be found at www.texasbaptists.org/bibledrill.
- Upon arrival at the church, the **Caller** should check that the drill room set-up is correct. ***There is a sample room set-up at the end of this job description.***
- The **Caller** must make sure that all of the necessary signs are on the door(s) and that any windows in the doors are covered. *The **Caller** should instruct a **Judge** to make any necessary changes to the signs between drills.*
- The **Caller** should make sure that the four **Judges** have the correct **High School Bible Drill Score Sheet** and sharpened pencils before beginning the drill.
- *The **Judges** should be reminded to indicate which mistake is made by putting the letter of the mistake made inside the box.* The mistakes are conveniently listed on the **High School Bible Drill Score Sheet** and listed with the **Regular Judge** job description. This can be found at www.texasbaptists.org/bibledrill.
- The **Caller** should instruct the **Timekeeper** to *wait until they see the **8 second** mark BEFORE calling time.* We want to make sure that the participants get the full **8 seconds** for each call.

The **Caller** must note the Bible translations that will be used in each drill group they are calling (*it can be different in every separate drill group*). The caller must be aware of this as High School participants will be reading and quoting answers from the translation they are using.

- The **Caller** will go to the **Ready Room** to pray with and pick up the participants to bring them to the drill room.

☺**Helpful tip!**

You should give the participants a sample call or two so that they can get a feel for how you call. This might help put them at ease. Encourage them!

- While the **Caller** is bringing the participants to drill, one of the **Judges** must be assigned to pray with and then read the **Instructions for Spectators** to the audience in the drill room. This can be found at www.texasbaptists.org/bibledrill.

DURING THE DRILL

- The **Caller** should stand at the podium to lead the drill.
- As the participants enter the drill room, help them spread out evenly with toes behind the line. Make sure to smile and help the participants feel comfortable!

☺**Helpful tip!**

Use a blank piece of paper to make a simple chart with the numbers of participants to keep track of which participants are asked to respond. *This helps the **Caller** make sure to call on each participant about the same number of times.*

- Make sure that all four **Judges** are able to keep up as you call the drill. When there are multiple mistakes, it takes longer for them to score. *Pay attention to the **Judges**, and slow down if necessary.* Watch for the **Judges** to be ready before giving the next call.

These are the five commands Callers use in a High School Bible Drill

- a. **Attention** – The **Caller** uses this command to get the participants to attention at the *beginning of the drill*, at the *beginning of each new drill section*, and at the *end of each call* so the participants can return behind the line and be ready for the next call.
 - i. At attention, participants stand comfortably straight with their feet about shoulder width apart. Their feet should be just behind the masking tape line.
 - ii. Bibles should be held at either side of the body with the spine down.

- Participants' eyes should be on the caller until start is called.
- i. Participants should remain still and ready when at attention.
- b. **Present Bibles** – When given, participants should bring the Bible to their waist area, hold it parallel to the floor, and be ready to open their Bible and begin searching. *This command is used for every call in **High School Bible Drill**.*

- i. Participants' fingers should *never* extend over the edges of the Bible. (*Mistake **f** on the **HS Score Sheet***)
- ii. The **Caller** should make sure every participant is looking at him/her before beginning the drill. (*Mistake **d** on the **High School Score Sheet***)
- iii. **Callers** also should make sure that all four **Judges** and the **Timekeeper** are ready to progress.
- c. **Start** – This command is the signal for participants to begin searching their Bible. It is a mistake to move or begin before start is called.
 - i. *Participants are given **8 seconds** to step over the line in all calls. (Mistake **a** on the **High School Score Sheet**)*
 - ii. ***If a participant does not hear the call, they may ask the caller to repeat, but this must be done before start is given.***
 - iii. **Once start has been called, the caller will not repeat the call until a third participant is needed to correctly answer.**

In all **calls**, participants must place their index finger on any page of the book, verse(s) or passages called *before* stepping over the line. (*Mistake **e** on the **High School Score Sheet***)

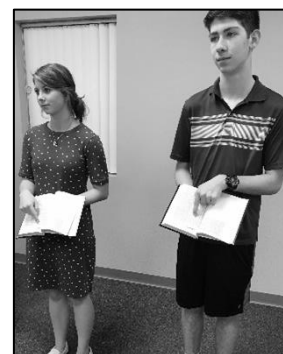

- v. **Participants may only step over the line once during a call. It is a mistake to step back and then step forward again. (Mistake **b** on the **High School Score Sheet**)**

- d. **Time** – The **Timekeeper** will say time at the end of **8** seconds. **No one may step forward after this command is called.** All participants must also cease searching in their Bibles at this point. *Participants that did not make it over the line should quietly close their Bibles and stand at attention behind the line. (Mistake **a** on the **High School Score Sheet**)*

- Make sure that your **Timekeeper** understands that they should ***not*** call time before seeing the **8** on the stopwatch!

- In **High School Bible Drill**, participants should lower their Bibles down after they have stepped over the line so that the three **Regular Judges** can check their finger placement. *At **Texas Baptists Regional and State** events, the **Regular Judges** will have finger charts with which to check the finger placements.* Instruct the participants to lower their Bibles at the beginning of the drill, and remind them during the drill if needed.

- The **Caller** will ask one participant, by the number sticker they are wearing, to give the response. The other participants should remain quiet. If the participant that is first called upon cannot give the correct response, another participant will be called upon to answer. This will repeat until the correct response is given. *The **Caller** will repeat the call if they need to ask a third participant to answer.*
- Participants must **raise their hands** to indicate an error if they step over the line and realize that they have made a **mistake**. *(Mistake **c** on the **High School Score Sheet**)* Participants should keep their hand raised until the **Caller** has acknowledged them. Once acknowledged, the participant should quietly close their Bible and remain where they are until attention is called and everyone steps back over the line. *Remember to give the judges time to adjust their score sheet if necessary.*
- Participants must keep their eyes on the **Caller** and should not close their Bibles or move until the command attention is given. When attention is called, participants should quietly close their Bibles and step back behind the masking tape line and be ready for the next call.

5. **Close Bibles** – This command is given by the **Caller** during in the **Steps to Salvation, What We Believe, and Key Biblical Passage drills** in a **High School Bible Drill**. Participants must quietly close their Bibles when given this command and stand still with their Bibles at their side and eyes on the **Caller**. One participant will be asked to respond from memory. Everyone will

step back over the line once the correct response is given and the **Caller** has given the command attention.

There are five types of calls in High School Bible Drill

- **Callers** should let the participants have a small break between each section – let them relax for just a moment before starting the next calls.
- At the beginning of each section, **Callers** should read the instructions for each type of call before they command the participants back to attention. Make sure the participants understand what is coming up. These instructions are written on each drill at the top of each section. Participants have **8 seconds** per call.

☪ Helpful Tip!

The actual written drill that the **Caller** is given includes *everything* that you need to say and read to lead a **High School Bible Drill**. The participants have learned the verses and key passages from the **High School Bible Drill Card (HSBD Card)**, which is found at www.texasbaptists.org/bibledrill.

6. **Book Drill** – The **Caller** names a book of the Bible. At the command start participants must find the book, place their index finger on any portion of the book, and then step over the line. When asked to respond, the participant must name the *book before* the book called, the *book called*, and the *book after* the book called.
☪ ***There are five of these calls worth two points each in a High School Bible Drill.***
7. **Scripture Searching Drill** – The **Caller** will announce a random scripture reference. At the command start, participants will find the scripture verse(s) in their Bibles and place their index finger on that verse(s) before stepping over the line. When asked to respond, the participant will read the verse(s) and state the scripture reference.
☪ ***There are five of these calls worth four points each in a High School Bible Drill.***
8. **Steps to Salvation Drill** – The **Caller** will state a scripture reference from the **Steps to Salvation** section of the **HSBD Card**. *These are called in the order they are listed on the HSBD Card*. On the command start, participants must locate the scripture reference and place their index finger on the verse(s) before stepping over the line. When time is called, the caller will instruct the participants to close their Bibles. When called upon, the participant will recite the verse(s) and state the scripture reference.

⚡ ***There are six of these calls worth four points each in a High School Bible Drill.***

9. **What We Believe Drill** – The **Caller** will announce a question from the **HSBD Card**. On the command start, participants must correctly locate the verse(s) that answers that question and place their index finger on the verse(s) before stepping over the line. When time is called, the caller will instruct the participants to close their Bibles. When called upon, the participants will be asked to state the question asked, recite from memory the verse(s), and state the scripture reference.

⚡ ***There are five of these calls worth five points each in a High School Bible Drill.***

10. **Key Biblical Passage Drill** – The **Caller** will announce a title of a **Key Biblical Passage** from the **HSBD Card**. On the command start, participants will locate the verse(s) listed for the passage called and place their index finger on any verse(s) listed before stepping over the line. When time is called, the **Caller** will instruct the participants to close their Bibles. When asked to respond, the participant must be able to state the title of the **Key Biblical Passage** and scripture reference. After stating the title and reference, the **Caller** will ask the same participant to recite the entire passage from memory.

⚡ ***There are three of these calls worth seven points each in a High School Bible Drill.***

During the drill, the **Caller** should give each participant that is asked to respond ample time (within reason) to think and answer. The participant should also be given the chance to start over, if they realize on their own they are making a mistake. **No prompts or corrections should be given by the Caller.** **The Caller should be consistent in how every drill is called and in the amount of time allowed for responses.** We want to give every participant the opportunity to be successful in **High School Bible Drill**, but it is also imperative to be fair and consistent.

AFTER THE DRILL

- Once the drill is complete, briefly encourage the participants at the conclusion of the drill. *Ask each participant to share their name, grade, and church.*
- Please make sure that all four **Judges** have completed their score sheets.
- Thank the spectators and applaud their efforts in helping the participants be successful in **High School Bible Drill!**
- After this, move to the side so that parents can take pictures.

High School Bible Drill Job Descriptions

★ REGULAR JUDGE ★

There are four **Judges** for each **High School Bible Drill**. There are **three Regular Judges** and **one Bonus Judge**. All **Regular Judges** have the same responsibility; they watch for and mark down mistakes made by participants.

The **Judges** use the **High School Bible Drill Score Sheet** to mark the mistakes. It is important that the judges are familiar with the possible participant mistakes (*found on both the **High School Bible Drill Score Sheet** and included below*).

Thank you so much for serving in this very important position!

BEFORE THE DRILL

- Make sure that you have the correct **High School Bible Drill Score Sheet** and sharpened pencils before beginning the drill.
- Mark the score sheet with the **correct drill number**, **your name**, and that you are a **Regular Judge**.
- Study the six mistakes (*also found on the bottom of the **High School Bible Drill Score Sheet***) so that you can be prepared to mark them on the score sheet during the drill.
- Please indicate on the **High School Bible Drill Score Sheet** which mistake the participants make by placing the letter (1, 2, 3, 4, 5, or 6) in the correct box for that call.

- If a participant makes more than one mistake, include each letter. Points are deducted only once for each call regardless of the number of mistakes made.

**There are SIX MISTAKES that participants can make during a
High School Bible Drill:**

1. Fails to step over the line within **8 seconds**.
2. Steps over the line and steps back over the line (*participants can only step out once!*).
3. Gives incorrect response. This includes raising a hand to indicate an error.
4. Fails to stand straight or keep eyes on the caller until the command Start is given. After the participant locates the scripture, their eyes must remain on the **Caller**.
5. When Bibles are being used, steps over the line before the index finger is on the correct book, verse(s) or passage.
6. Does not handle the Bible with respect. The Bible should be parallel to the floor with one hand flat on the top and one hand flat on the bottom, with no fingers extending over the edges.

- The **Caller** will go to the **Ready Room** to pray with and pick up the drill participants and bring them to the drill room. During this time, one of the **Judges** will be assigned to pray with and then read the **Instructions for Spectators** to the audience in the drill room.

DURING THE DRILL

- Make sure to smile and help the participants to feel comfortable as they enter the room!
- The **Regular Judge** should mark each mistake made by putting the letter of the mistake made inside the correct box (*intersection of participant number and call number*). The mistakes are listed above and at the bottom of the **High School Bible Drill Score Sheet**.

- **It is vital that each Regular Judge pay close attention to all of the participants during the entire call. Do not begin to score until time has been called.**

- Be careful to stay on the correct line as you score! Make sure you are staying with your **Caller** and keeping up with the drill. *If you do get behind, let your **Caller** know immediately.*

☺**Helpful tip!**

Some **Judges** use a blank sheet of paper to follow along with the calls during the Bible Drill to help them stay on the correct line. If you choose to do this, fold the paper so that you can still see the mistakes listed at the bottom of the score sheet.

- **If a participant is *moving* when time is called and their index finger is on the correct spot, do not count a mistake** (*unless they are called upon and give an incorrect response*).

AFTER THE DRILL

- After the drill is over, make sure that you mark the number of mistakes for each participant in the correct box. Put a “0” in the box if they do not make a mistake. *The **Tally Room** will compute the **total score**, so **Judges** should leave this box blank.*

☺**Helpful Tip!**

As you are adding up the scores, please be aware of the **differing point values** for each type of call.

- A **Judge** will be asked to collect the number stickers from the participants and adhere them to the **numbered sticker sheet**.
- A **Judge** will also be asked to collect the four **High School Bible Drill Score Sheets** and the **numbered sticker sheet**. These items should be taken directly to the **Tally Room** at the completion of the drill.
 - *At **Regional and State events**, these items should be placed in a large manila envelope with the correct drill number on it and taken to the **Tally Room**.*
- **Judges** should also clear the room as quickly as possible so that family and spectators for the next drill can come in and take their seats.

★ BONUS JUDGE ★

The **Bonus Judge** watches carefully to see which participant(s) steps out first during a **High School Bible Drill**. *Thank you so much for serving in this important position.*

There are four **Judges** for each **High School Bible Drill**. There are **three Regular Judges** and **one Bonus Judge**.

The **Bonus Judge** uses the **High School Bible Drill Score Sheet** to mark the first participant(s) to step over the line. The first participant(s) to step over gets a bonus point. *If more than one participant steps over at the exact same time, give each of them a bonus point.*

The **Bonus Judge** must also watch for any mistakes made by the participant(s) that earned the bonus point(s). If they make a mistake, they lose their bonus point for that call.

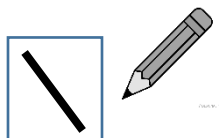

BEFORE THE DRILL

- Make sure that you have the correct **High School Bible Drill Score Sheet** and sharpened pencils before beginning the drill.
- The **Caller** will go to the **Ready Room** to pray with and pick up the drill participants and bring them to the drill room. During this time, one of the **Judges** will be assigned to pray with and then read the **Instructions for Spectators** to the audience in the drill room.

DURING THE DRILL

- Make sure to smile and help the participants to feel comfortable as they enter the room!
- The **Bonus Judge** must pay very close attention to every call. You will mark on the **High School Bible Drill Score Sheet** which participant steps over first. *If more than one participant steps over at the exact same time, give each participant the bonus point.*

- The **Bonus Judge** makes a slash in the correct box (*intersection of participant number and call number*) for the participant(s) that step over the line first.

- If the participant that received the bonus point is called upon to answer and they make a mistake, or raise their hand to indicate a mistake, the **Bonus Judge** must make the slash into an X (*see example below*). The X means that the participant loses that bonus point.

- Be careful to stay on the correct line as you score! Make sure you are staying with your **Caller** and keeping up with the drill. *If you do get behind, let your **Caller** know immediately.*

The **Timekeeper** must *wait until you see the 8 second mark on the stopwatch* **BEFORE** calling **TIME** and stopping the stopwatch.
