Welcome

My name is David Gonzalez, Congreso coordinator, and I am so excited to see everyone here at Dallas Baptist University. Congreso has been ministering to students for 59 years and is still going strong. We are thankful for the students who are eager to join us each year, the leaders and pastors who take time to bring you here and ultimately our Lord and Savior, which is the reason we all gather together. I want to give a special thanks to all the people who made this event happen. We would not be here without the hard work, dedication and details it takes to make Congreso happen. We hope you all have a great experience and continue to ILLUMINATE light wherever you go.
