

AFRICAN AMERICAN MINISTRIES  
TEXAS BAPTISTS

Dear Potential Exhibitor/Sponsor,

My name is Oza Jones Jr. and I serve as the Director of African American Ministries for Texas Baptists.

Our office is seeking generous individuals, institutions, and corporations who would be willing to financially support our annual WAVE Student Conference. The support you provide allows our event attendees the opportunity to participate at a lower cost and provide full scholarships for those who may not be able to afford the conference costs. Moreover, your support gives our attendees a chance to learn more about your organization, its goals, mission, and objectives and how they may get involved at some level.

WAVE is an annual event that brings together **300-500 Students and Student Leaders from all over the state of Texas**. The main goal of this conference is to challenge students and student leaders to live out the call of God in their lives and lead their congregations to do so as well. I want to equip our future leaders with all the tools and techniques that can help them be more effective in their ministries so that they can fulfill the Great Commission. **WAVE will take place at the Resurrection Baptist Church in San Antonio, Tx, Sunday June 9- Wednesday June 12.**

I am looking for partners who would like to invest by becoming an exhibitor/sponsor of African American Ministries, as we seek to empower leaders to fulfill their purpose and reach the potential for which they were created.

Our exhibitor/sponsor information is below. There are **3** different sponsorship levels to choose from. I encourage you to take some time to **review each option** and let me know which option is best for you. You can then send in a check to the address below or if you would rather do it online, the website with instructions is below. If you have any questions, please let me know. Space is limited and filling up fast.

I look forward to continuing to build a strong partnership with you as a partner sponsor. We truly appreciate your collaboration and support in this effort.

Blessings,

Oza Jones Jr

Director of African American Ministries, Texas Baptists
