

WEEK OF PRAYER FOR THE  
**PERSECUTED CHURCH**  
— *In China* —

- DAY 1** — May the billions of souls in China repent soon, accept salvation and be filled with God's love.
- DAY 2** — Pray for the brothers and sisters behind bars. May the Lord grant them confidence and strength so that, like Paul and Peter, they would boldly preaching Christ—who died and was raised—to kings and prisoners alike.
- DAY 3** — Pray that the Lord preserves the unity of the churches so that, amid persecution, they can connect, support one another and not attack each other. May there be mutual love within the church instead of judgment.
- DAY 4** — Pray that the Lord leads His suffering church to grow in grace and knowledge during these darkest times, and that the churches' love may abound in understanding of law and social justice.
- DAY 5** — Pray that the Lord provides righteous and merciful Christian lawyers to help the persecuted churches, who will courageously stand firm, using each case to advance social justice and bear witness to the power of the gospel.
- DAY 6** — Pray for mercy on the police officers, prosecutors and judges who persecute God's church. May they hear the gospel, see the testimony and have their consciences awakened so that they may repent and believe in Jesus soon.
- DAY 7** — Pray for the churches in North America, that they may have a kingdom vision. May the steadfastness of those suffering for their faith inspire the North American churches to reclaim their first love, preach the true gospel, save souls and fight for the heavenly King.
