All Prescription Medications should remain in **the original container** and be labeled (as applicable) as follows: • Name of the student • Name of the medication • Clear dosing instructions for administration • Date the prescription was dispensed • Doctor's name • Name and address of the pharmacy • All Non-Prescription Medications (including vitamins and supplements) should be in the original container.

KEEP THIS IN MIND WHEN PACKING:

One of the SUPER FUN things about Super Summer is the amazing school spirit that is displayed by every group at Super Summer. As you are planning your wardrobe for the week, you will want to pack A LOT of clothing that reflects the color of your Super Summer school and your school's theme for the week! One of the only regrets that we ever hear from students is that they wished they would have brought more clothing that represents their super summer school color.
