

1—Project Name: Hispanic College Ministries

2—If this grant is being requested on behalf of an external organization, what is that organization's name and connection with Texas Baptists?

N/A

3—Please request the minimum amount needed—with a maximum of \$20,000 possible—in order to accomplish the project's goals.

\$20,000.00 (*budget attached*)

4—Overview: Give a one paragraph description of the project.

This project will give grants to those who are struggling to finish their support raising but whose impact would be missed if they cannot serve on campus.

5—STRATEGIC: How will this project make Texas Baptists stronger?

Hispanic TXBSM staff members serving across the state are strategic evangelists and disciplinarians who reach hispanic and non-hispanic college students, youth, and young adults through their service with TX BSM. Those they reach are connected to local Texas Baptist churches and infuse those same basic qualities (Evangelism, Discipleship, Mission) into the local church. They often also serve as key leaders at events like Congresso.

6—SIGNIFICANT: What is the anticipated long-term impact of this project?

Many students will hear the gospel, some will become believers who share their faith with their families, communities, and college class mates. Therefore the long-term impact of this project is eternal life change for individual students and through them their families and communities.

7—SUSTAINABLE: How will the grant help this project become self-supporting?

These TX BSM Staff members will have time to grow their own donor bases into sustainable networks of supporting partners who will extend their careers with Texas Baptists.

8—INNOVATIVE: How will this project break new ground?

This project will enable us to reach students in pockets of campuses we have yet to reach. Each staff member who is added brings their own interests and abilities to the team and they can create outreaches to specific populations of students who are currently unreached.

9—INVOLVING: How will the churches served by Texas Baptists be included in this project?

TXB Churches with connections to these campuses will receive trained student leaders, evangelists, and disciplinarians as those students join local churches, then graduate and participate in churches wherever they go after college.

How many churches will be involved? approx 40 (10 per staff member)

10—INTERESTING: How will this project produce helpful stories and encourage donor engagement for future ministry support?

It will give us stories to share with our key Hispanic churches concerning collegiate evangelism, disciple making, and missions.

11—Has this project received previous TBMF grants? If YES, list years and amounts.

N/A

12—Is this request for an ongoing project with a new name? If YES, what was the former name of the project?

N/A
