4—Overview: Give a one paragraph description of the project.

5—STRATEGIC: How will this project make Texas Baptists stronger?

This project strengthens Texas Baptists by placing MAP Mobilizers in strategic areas throughout the state to promote, enlist, and provide administrative support for the entire (global) MAP emphasis. It has the potential of reaching all Texas Baptists Churches and inviting them to be a part of what God is doing through MAP.

6—SIGNIFICANT: What is the anticipated long-term impact of this project?

With over 1200 contacts being made by each of our four MAP Mobilizer, communicating the vision of MAP (promotion), and the enlistment of sponsor churches, we believe that if 5% of contacts respond favorably and become sponsor churches that would give us the capacity of sponsoring 240 more missionaries.

With the increase visibility and impact of MAP among our Texas Baptists churches we hope to have sufficient support for this project to be self-supporting in the future.

The reports that come in from the mission field are full of exciting stories of what God is doing world-wide through MAP. We will continue getting the stories out through social media, newsletters, and emails as we encourage donors to give to this great missionary movement of God.

2022,2023, 2024, 2025.
