

“WHY GROUPS?”

1

Groups ministry is the most \_\_\_\_\_ component of the church. Groups provide the infrastructure for sustained discipleship, ministry and growth.

2

The genius of groups ministry is that it is \_\_\_\_\_-led. It is not primarily dependent on a specially trained pastor, but on members who are called, gifted, and committed.

3

Groups ministry used strategically can provide an effective \_\_\_\_\_ pipeline for new leaders to receive on-the-job training and support.

4

Groups provide \_\_\_\_\_ at the most basic level in the church.

5

Groups can be replicated to multiply the ministry \_\_\_\_\_ of the church.

6

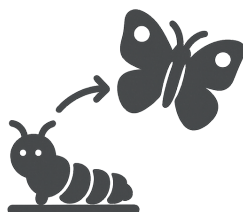

Group leaders are making \_\_\_\_\_ as they help members discover and use their gifts and abilities for the good of the group, church, and community.

LEADERS IN GROUPS THAT THRIVE UNDERSTAND...

1

 The group is not \_\_\_\_\_ (even if I started it).

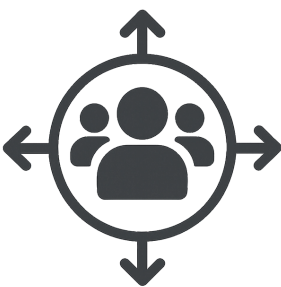

2

 I cannot bring \_\_\_\_\_ —only the Holy Spirit does that. But He wants to use me in the process.

3

 When a member decides to serve the group, church, or community they are taking a step of \_\_\_\_\_.

4

 Some members will serve in other ways \_\_\_\_\_ your group.
