# Prepare to BOUNCE!

## WELCOME TO BOUNCE!

If this is your first BOUNCE experience, welcome to the **BOUNCE** Family. If you are a returning group, welcome back. We appreciate you entrusting **BOUNCE** for your student mission experience. We are so very grateful for student ministries that see the necessity of having a missional element in their student ministry strategy.

This copy of the **GROUP LEADER HANDBOOK** contains information to help you get your students and adults prepared for their **BOUNCE** experience. There is a lot of information contained within the handbook, but we feel it's necessary for you to have everything you need to be best prepared for your mission experience. Please take time to look it over. It will answer many of your questions.

The **BOUNCE TEAM** also feels it is important for your students and adult participants to be prepared spiritually. That being the case, we will provide you with some preparation materials to prepare them for the spiritual work they will be facing. Those materials will be accessible online. We will let you know when they are available. Thanks for preparing your students and adults for the ministry they will be doing.

As always, we have enlisted a strong **Coordinating Team** who are passionate about mobilizing students to be on mission. You will begin to hear from your **Coordinating Team** well in advance of your **BOUNCE** experience. This team will provide leadership for your specific **BOUNCE** Mission. In the meantime, don't hesitate to contact me with your questions. I am happy to assist you.

At **BOUNCE** we value partnerships. We could not do what we do without partners, and that is particularly true of the church groups who partner with us each year to mobilize students for hands-on mission experiences. That being the case, let me once again say we appreciate you and we are looking forward to partnering with you this year. We trust it's a long-term partnership as we seek to restore **HOPE**, rebuild **COMMUNITIES**, and reflect **CHRIST**.

Blessings,  
David Scott, Director  
**BOUNCE** Student Disaster Recovery

**Group Leader (GL):** The adult participant that registers, prepares, and brings a group to a **BOUNCE** mission. The GL may be a volunteer youth worker or a minister on church staff.

**Group Leader Handbook:** You are looking at it right now. The Group Leader Handbook contains information about **BOUNCE** and details on how to prepare your student and adult participants for **BOUNCE**.

**BOUNCE Preparation Study:** **BOUNCE** believes in sending out prepared missionaries. The **BOUNCE** Preparation Study is provided to Group Leaders (GL) to prepare their student and adult participants to be a part of a **BOUNCE** mission. Preparation requires participants to commit to study sessions that will assist them in being ready to minister in an affected community or with a church plant. Materials are typically available online by February of the mission year.

**Ministry Team (MT):** A group of approximately 11 to 15 students and adults from participating churches working together to minister in the community. A MT is assigned a construction, recovery, or rehab project to complete during the week. The MC makes the MT assignments prior to the start of the mission. Participants will discover their assignments on Day One of the mission by checking their Operation Affirmation envelope.

**Construction Team Leader (CTL):** The leader of each Ministry Team (MT). The CTL has construction expertise and organizes and directs the work of the ministry team in accomplishing their assigned project for the week.

## ***BOUNCE Lingo continued***

**Team Encourager (TE):** Assists the CTL in organizing the Ministry Team's (MT) work. The TE serves as a "cheerleader" for the MT and helps keep them on task to complete their assignment for the week.

**Team Driver:** An adult member of the MT who transports the team to their Ministry Worksite each day. Drivers must be at least 21 years of age and be approved by their church or group's insurance policy.

**Ministry Worksite:** MTs will be assigned a Ministry Worksite where they will assist the community in the recovery/rehab process. Worksites may include private residences, city properties such as parks, areas in need of debris removal and clean-up, or beautification efforts, etc.

**Ministry Team Positions:** Members of a **BOUNCE** Ministry Team have opportunity to volunteer for some additional responsibilities. These positions include Team Hydration Specialist, Team Chaplain, Team Safety Inspector, Team Doc, and Team Evangelism Reporter.

**Team Meeting:** On Day One of the mission, participants will meet their teammates to get organized for their week of ministry. There may also be other Team Meetings throughout the week scheduled by Team **BOUNCE**.

**BOUNCE Bash:** Day One meeting of all participants to get the **BOUNCE** Mission started. A high energy time to meet Team **BOUNCE**, share a few announcements, highlight the schedule, and have a little FUN! The first adult participant meeting also takes place during this time.

**Wrap Party:** A time to celebrate the ministry that took place during the week. Say good-bye to new friends and prepare to **BOUNCE** to the house back home.

**BOUNCE Worship:** In addition to the hard work of disaster recovery, a **BOUNCE** Mission features evening times of worship and reflection designed to help participants encounter and respond to God.

**Youth Group Reflections:** This is a time set aside each evening after **BOUNCE** Worship for youth groups to gather and reflect on worship and the ministry events of the day.

**BOUNCE Cam:** Reflection video created by the Audio/Visual Specialist that is viewed during the mission Wrap Party.

## ***BOUNCE Lingo continued***

**BOUNCE Reflection Service:** This is something to consider once you **BOUNCE** Back Home. A reflection service is an opportunity for youth groups who have participated in a **BOUNCE** Mission to share with their church family about their ministry experiences. A good time to show your Mission **BOUNCE** Cam.

**Operation Affirmation (OA):** A week-long opportunity to write notes of encouragement to members of your Ministry Team, your youth group, or Team **BOUNCE**. Each **BOUNCE** participant will have an OA envelope where they can receive OA notes throughout the mission week.

**Urban BOUNCE:** An opportunity to assist inner city area in the **BOUNCE** back process through home rehabilitation projects.

**Sponsor:** **BOUNCE** participant 21 years of age or older.

**Go Time!:** 7am on the first workday is Go Time! We gather for last minute instructions and a prayer of commissioning.

**Lodging Facility:** A church or school that is our home for the week. We rough it by sleeping on the floor in classrooms or gyms, so be prepared. Be sure to check your What-To-Bring list for what you will need to make your stay “comfy.”

# PREPARING YOUR GROUP TO **BOUNCE**

*“Show me a man who goes with the flow, and I’ll show you a man who has been up a creek before.”*

We’re not sure who we should attribute the above quote to, but one thing we can say is that the statement seems to speak to the importance of preparation. At **BOUNCE** we believe preparing your group is vital to the success of the mission. Here are a few things to consider when preparing your groups to be a part of **BOUNCE**.

- **Make the BOUNCE Preparation Study Mandatory.** We have provided you with materials to prepare your students for your **BOUNCE** Mission. It will take a commitment of time, but we believe your students, and adults, will be better ready to serve the community and its residents as a result of the investment. We believe God will work through prepared people.
- **Highlight what a BOUNCE Mission experience will be all about.** Although **BOUNCE** will have some “camp-like” elements like worship, **BOUNCE** is not camp. It’s hard work. Please make sure that all those who plan to attend have a good understanding of this fact. We will be sleeping on the floor in most cases. Working in the heat. Standing in line for showers. It can be tough, but serving God by serving people will be worth it.
- **Attend the Pre-Mission Visit.** Your Mission Coordinator (MC) will be communicating with you regarding the possibility of a spring visit to the community for you to get your “boots on the ground.” You will see some of the affected areas, tour the lodging facility, and meet the Coordinating Team. This visit is at your own expense. Bring your camera to take pictures to show your group once you return home.
- **Conduct a Parent/Participant Meeting or Fellowship.** You will need to communicate details to parents/guardians. You will also need to distribute Participant Forms, What-To-Bring List, and collect such things as payment balances, and copies of insurance cards. Consider having a notary present to notarize Participant Forms. Use this time to communicate excitement about the mission – your hopes, your desires, etc. Provide some snacks and drinks -- maybe even play some games to fire your “**BOUNCERS**” up.
- **Consider asking your church to commission your BOUNCE Missionaries.** We see your **BOUNCE** participants as missionaries. We hope your church does too. Consider recognizing them as such, and have the church family pray over them before they head out, and while they are at **BOUNCE**. Ask the church to pray for the community and **BOUNCE** Leadership too. It will be appreciated.

**Prepare your group. Your BOUNCE Leadership will be grateful.**

# BOUNCE Dress Code

Our **BOUNCE** participants (“**BOUNCERS**”) are missionaries. That being the case, we don’t want to do anything that might damage our witness in the communities we serve. Although there might be some disagreement among our student participants regarding appropriate dress, for the sake of our **BOUNCE** experience, let’s agree we will all follow a consistent **BOUNCE** Dress Code for the mission week. Group Leaders, **please communicate** this dress code to your students and adults. **Here it is:**

- **SHIRTS:** Shirts **MUST** have sleeves. This means at ministry worksite, the lodging facility, in worship, and heading to and from the showers. Please don’t bring anything sleeveless, or anything with spaghetti straps. Short shirts are not allowed either. We also ask that shirts have no graphics that could be considered offensive or inappropriate. “No sleeveless shirts” also means no altering t-shirts to cut off or tuck in sleeves to make the shirt sleeveless. Thanks.
- **SHORTS:** Shorts are OK at the lodging facility and even in worship. Please keep them of modest length. No short-shorts. Shorts are never appropriate at the Ministry Worksite. Again, thanks.
- **MINISTRY WORKSITE ATTIRE:** Because of the nature of our work, you are required to wear sturdy, long pants. Jeans are probably best. Again, shirts must have sleeves. Durable closed toe shoes or boots are required on the worksite. **NO** sandals or flip flops on the job please. We want to protect your feet! Inappropriate worksite attire will prevent you from participating in the work.
- **DON’T BRING EXPENSIVE, NICE STUFF:** The work is dirty . . . sometimes really dirty. At times down-right nasty. So, if you don’t want to get it messed up, don’t bring it. You’ve been warned.

## **TEAM BOUNCE DOESN’T WANT TO BE CLOTHING POLICE!**

- Group Leaders, please clearly communicate the Dress Code **BEFORE** you bring your group to the BOUNCE mission. A good time to talk about this issue is at the Parent/Participant Meeting. Make sure both student and adult participants understand the Dress Code.
- TEAM BOUNCE asks that Group Leaders and adults from your group enforce the dress code with your students.
- As mentioned previously, TEAM BOUNCE DOESN’T WANT TO BE THE CLOTHING POLICE, however, if need be, the Mission Coordinator will take action with individual Group Leaders to ensure that all BOUNCERS comply with the stated guidelines.
- Dress code violations on the ministry worksite will result in participants being transported back to the lodging facility to change and can result in participants not being featured in Team Photos or BOUNCE Cam.

# ADULTS AT BOUNCE

Adults play a significant role at **BOUNCE**. The fact is we couldn't do what we do without committed adults who are willing to invest in the lives of students. That being the case, here are a few requirements and thoughts about adults at **BOUNCE**:

- Each participating group must bring **one adult female sponsor for every five female students and one adult male sponsor for every five male students**. Adult sponsors must be 21 years of age.
- Participating groups must complete background checks for each of their adult sponsors. Adult sponsors must clear criminal and sex offender checks to be able to participate at **BOUNCE**. Groups must submit a **STATEMENT OF COMPLIANCE FORM** (included in this handbook) at the time of check-in at the **BOUNCE** Mission. **NOTE:** Although they cannot serve in a sponsor role, any participant who is 18 years of age or older must go through background checks.
- Adults (and students 18 years of age and up) participating in BOUNCE must also complete **MinistrySafe Training**. See page 12 for details on *MinistrySafe Training & Certification*.
- **BOUNCE** depends on adults (21 years of age or older) to serve in important roles during the mission:

**Construction Team Leader** – This individual leads a **BOUNCE** Team in completing their construction assignment for the week of the mission. Construction or repair experience is a requirement as well as the ability to relate to, organize, and lead the student team in a healthy way. The Construction Coordinator will select Construction Team Leaders who complete the **Construction Volunteer Application** under the Group Leader tab at [www.txb.org/bounce](http://www.txb.org/bounce). Completed applications should be returned to the Construction Coordinator for your mission.

**Team Encourager** – This individual assists the Construction Team Leader in helping students stay on task to complete the ministry assignment for the mission week. Some might describe the Team Encourager as the “cheerleader” of the team. One adult will have this assignment and title, but all adults should be encouragers. The Mission Coordinator will select Team Encouragers who complete the **Non-Construction Volunteer Application** available under the Group Leader tab at [www.txb.org/bounce](http://www.txb.org/bounce). Completed applications should be returned to the Mission Coordinator for your mission.

**Team Driver** – Each **BOUNCE** Team will need a driver. Drivers must be approved by participating church group's insurance policy, and must be at least 21 years of age. Team Drivers must also complete the **BOUNCE TRANSPORTATION DRIVER AGREEMENT** that will be provided by the Mission Coordinator prior to the mission.

- Adults should participate in all aspects of the **BOUNCE** Mission experience. This includes the **BOUNCE PREPARATION STUDY**, Team Meeting, Ministry Team Devotion, the work assignments, **BOUNCE** Worship, Youth Group Reflections, and lights out.
- Participating Adults should not bring under-age children to the **BOUNCE** Mission. All student participants **MUST** have completed 6<sup>th</sup> Grade and **MUST** be at least 12 years of age. Younger children are not allowed to attend with adults who are serving during the **BOUNCE** Mission week.

## NOTE TO GROUP LEADERS ON SELECTING ADULT SPONSORS . . .

Those of us who have been involved in mobilizing students in hands-on mission endeavors know adults play a very significant role in the mission success. In fact, some maintain “as the adults go, so goes the mission.” Please consider the following thoughts as you enlist adult sponsors:

- **When possible, enlist adults who enjoy ministering to and with teenagers.** Adults who understand and can relate to students in a healthy, positive manner will likely be able to best serve alongside students during the **BOUNCE** Mission.
- **Enlist adults who can be flexible and positive.** Anyone who has ever been on a mission trip knows the value of flexibility. This will be particularly true in the area of disaster recovery. Know that your **BOUNCE** Coordinators and Staff will work hard to prepare for your **BOUNCE** Mission; however, there are unforeseen challenges that will occasionally arise. Prepare your adults and your students.
- **Who are good candidates to serve as **BOUNCE** Adult Sponsors?** Youth workers who are serving in your youth ministry will likely be good candidates. Married couples who are known to have stable relationships have the potential to be great **BOUNCE** Sponsors. Parents who have students in your youth ministry would also be good possibilities. Any flexible, positive adult who understands what they are committing to – sleeping on the floor, working hard, sharing ministry with teenagers for a week – would be a good candidate to serve as a **BOUNCE** sponsor.

## Background Checks & MinistrySafe Training

### Criminal & Sex Offender Background Checks

**BOUNCE** operates under guidelines set forth by the Texas Department of State Health Services, which is the licensing agent for camps and youth events. These laws require any adult who has contact with children/youth at a camp to be screened for criminal and sex offender records. The full set of guidelines can be found on the Department of State Health Services web site at

[www.dshs.state.tx.us/youthcamp/default.shtm](http://www.dshs.state.tx.us/youthcamp/default.shtm)

- Every BOUNCE participant aged 18 and older must undergo a background check which includes these elements: identity research, criminal and sex offender search, and county of residence search. All background checks must be renewed on an annual basis. If your church or group has proof of background checks that are dated within the last calendar year and meet these criteria, that proof will satisfy the background check requirements.
- It is the participating church or group's responsibility to perform the background check. In addition, the church/participating group must complete and submit the Statement of Compliance form (pg. 24 of this handbook) upon arrival at the mission. **The Statement of Compliance form or proof of a completed background check must be turned in prior to serving at ALL BOUNCE Missions.**
- To see a list of companies that offer background checks, click on the link below, scroll to see Security & Risk Management, then click on Background Check Companies:  
<https://www.texasbaptists.org/ministries/church-administration/resources#security>

### MinistrySafe Training & Certification

- All Adult Sponsors and participants 18 years of age and older are required to take the **MinistrySafe Sexual Abuse Awareness Training**. You must have an individual email address, not shared with another sponsor or participant.
- After watching the online training, a quiz is administered. A minimum score of 70 is required. After the test, you will receive a **Certificate of Completion** from the course. Save a copy for your records and print a copy to bring to **BOUNCE** Staff upon arrival at your **BOUNCE** Mission.
- The MinistrySafe Certificate of Completion is **valid for two years** and can be used to satisfy the child protection training requirement the following year. Email your previous certificate to [Gloria.Tillman@txb.org](mailto:Gloria.Tillman@txb.org) to check the validity of your prior MinistrySafe Certification.

**Once your deposit is paid, you will be sent a form to enter names & email addresses on all your adult sponsors and participants 18 years of age and older. This is not for participants younger than 18.** Each person entered will receive an email with their own, personal MinistrySafe link to the video training and test, that **can't be shared** or their data will be lost. Each person needs to click the link in their own email to watch the videos and complete their test. **DEADLINE for completing MinistrySafe Training is May 1 for June Missions and June 1 for July Missions; Feb 15 for Spring Break Missions.** Call Gloria at 214-828-5182 if you have questions or problems with email or links.

**CERTIFICATES OF COMPLETION MUST BE TURNED IN TO BOUNCE STAFF  
UPON ARRIVAL AT YOUR BOUNCE MISSION IN OR OUTSIDE OF TEXAS.**

# BOUNCE ADULT EXPECTATIONS

**WE NEED YOUR HELP!** Mobilizing students for disaster recovery and community rehabilitation efforts is a **BIG DEAL**. How's that you say? Glad you asked. From its beginning **BOUNCE** has stated 3 goals: **Restoring HOPE**; **Rebuilding COMMUNITIES**; and **Reflecting CHRIST**. Through the ministry of **BOUNCE**, disaster victims and those who are living in substandard housing have had hope restored by the hard work and ministry of teenagers who have served them. Homes have been built or repaired, and the love of Christ has been unapologetically shared with residents and people in affected communities. If that's not **BIG DEAL** enough for you, there's one other thing we can point to – a love for mission service and ministry has been cultivated in the lives of thousands of students. A love we trust will last a lifetime. That friends **IS** a **BIG DEAL**. There's always a lot at stake when you decide to be on mission with God.

It's no secret that we could not accomplish our **BOUNCE** goals without the assistance of adults who are willing to come alongside of **BOUNCE**, and our student participants (**BOUNCERS**) to serve those in need. **WE NEED YOUR HELP**, and we appreciate you more than you will know. Thank you for investing in students and agreeing to give of your time and treasure to serve at **BOUNCE**.

## HERE ARE SOME AREAS WHERE BOUNCE NEEDS YOUR HELP

### UNDERSTAND WHAT YOU ARE COMMITTING TO:

- **ACCOMMODATIONS FOR YOUR MISSION**

**BOUNCE** lodging facilities are usually churches or schools. That means you must be willing to sleep on your personal air mattress or cot; shower in disaster recovery shower units or school locker rooms; and possibly share space with other church groups. It's not a luxury hotel with a comfortable bed. But we trust the joy of serving with students and assisting people who have been through tough times will far outweigh any temporary inconvenience.

- **SCOPE OF THE WORK**

**BOUNCE** is a construction-based mission experience. The work is hard, hot, and physical. Adults are expected to serve with student participants. We also need you to be safety conscious on the ministry worksite.

- **PARTICIPANT GUIDELINES and DRESS CODE**

As a sponsor, we need you to help students abide by our **Mission Guidelines** and **Dress Code**. Please model these guidelines and wear appropriate attire at the worksite and lodging facility. Your Group Leader can provide copies of the **Participant Guidelines** and **Dress Code** for you. If all groups will observe these requests, it will assure a positive mission experience for all the student groups involved.

- **APPROPRIATE STUDENT/ADULT RELATIONSHIPS**

In an effort to protect our student participants, adult participants, our churches, and the ministry of Texas Baptists and **BOUNCE**, we take the issue of appropriate student-adult interaction very seriously. All **BOUNCE** participants ages 18 years of age and older will have been subject to criminal background checks and will have passed **MinistrySafe Training**. While it may be somewhat uncomfortable to think about, we must be mindful of the following:

- **Appropriate Student-Adult Interaction**

Interaction between participants, whether student-student or adult-student, is limited to public spaces within the lodging facility and at the ministry sites. Please avoid any secluded, private, or other areas that have been deemed "off-limits."

Additionally, we minister in a day and age in which physical touch can often be misinterpreted. That being the case, adopt a "high five" approach of affirmation/affection during your mission week. Our conversation will also play a significant role in the mission experience. Let's keep it wholesome and above reproach.

- **Issues of Modesty**  
We ask all participants to observe the **BOUNCE Dress Code** while serving at a **BOUNCE** mission. As mentioned previously in this document, we ask adults to assist us in the implementation of the **Dress Code**. We also need your help regarding the issues of showering and/or changing clothes. For the protection of all involved, student and adult participants should never be fully undressed in view of other participants. Again, we appreciate your help with this sensitive issue.
- **NO PRANK POLICY**  
The nature of our work is serious, so pranks are not allowed at the ministry sites or lodging facilities. Such activities can escalate and lead to injury or damage. Thanks for helping with this.
- **OUR CHRISTIAN WITNESS IN THE COMMUNITY AND LODGING FACILITY**  
Since one of our goals is to **Reflect CHRIST**, our witness will always be important in the communities we serve. This is also true in the way we treat our lodging facilities. It is a very generous act when a church or school opens a facility to **BOUNCE** for a mission experience. They often change their entire schedule to accommodate our groups. It's important for us to treat them well. **WE NEED YOUR HELP** in encouraging students to take care of the facility by keeping areas as neat and clean as possible while we are guests at a church or school.
- **FLEXIBILITY IS KEY**  
While your **BOUNCE Coordinating Team and Staff** have worked hard to prepare for your mission experience, occasionally issues come up. Some issues related to disaster recovery or weather at times can't be avoided, no matter how much pre-planning takes place. In the event flexibility is required on your part, thank you in advance for your help.

#### **BOUNCE IS A KINGDOM APPROACH TO SERVICE**

Students and adults will meet new friends from other churches as they partner together to serve communities for Christ. In many cases, the students and adults are an answer to prayer for the residents they are serving. And in many cases, youth groups are able to be a part of significant ministry they would not have been able to accomplish alone. Since we come together for a significant time of shared ministry, we all must be respectful of privacy and possessions. As adult participants, we have an opportunity to encourage all student participants in this area and model the value of cooperation and Kingdom work.

Again, we appreciate you. We value your partnership and investment in the lives of students. It's a **BIG DEAL**, and so are **YOU**. Let's have a great **BOUNCE** Mission experience.

Blessings,

**Team BOUNCE**

#### **GROUP LEADER(S)**

Please bring an initialed copy of the **BOUNCE Adult Expectations** with you to your **Mission Registration/Check-In** confirming you have shared the information with your adult sponsors (21 years of age and older). Thank you.

**Group Leader Initials: X\_\_\_\_\_**

# BOUNCE PARTICIPANT GUIDELINES

In an effort to make BOUNCE a positive experience for all involved we ask that all participants agree to certain guidelines. The BOUNCE Participant Guidelines will be listed on the PARTICIPANT FORM that all participants must sign along with their parent/guardian. The BOUNCE Participant Guidelines are listed below.

As a BOUNCE MISSION Participant:

- I will seek to reflect Christ as I serve by participating in all aspects of the **BOUNCE** experience (worksite, ministry, worship, youth group reflections, etc.), and will observe the **BOUNCE** schedule.
- I will abide by guidelines established by the **BOUNCE** Leadership Team while at **BOUNCE** (dress code, accessible areas of lodging facility, lights out, etc.).
- For my safety and health, I understand no alcohol, tobacco, non-prescription drugs, fireworks, firearms, knives, or weapons of any kind are allowed at **BOUNCE**.
- Due to the serious nature of **BOUNCE** Mission work, I understand pranks and prank paraphernalia are not allowed.
- I agree to observe all safe worksite practices established by the **BOUNCE** Leadership Team.
- I realize that **BOUNCE** is a Kingdom approach to mission service. That being the case, participants from other churches will be partnering with me and my church for service. I will respect them, their privacy, and their possessions as we partner together for Kingdom service.
- I understand that I cannot leave the worksite or lodging facility without the permission of the Mission Coordinator and my group leader.
- I understand girls should not be in boys' rooms, and boys should not be in girls' rooms. I further understand that Public Displays of Affection (PDA) are not allowed between girlfriends and boyfriends while at **BOUNCE**.
- I am grateful that our lodging facility has agreed to host us for the week of **BOUNCE**. I will make every effort to take care of the facility, keep it clean, and respect the facility and grounds during the week. I also understand that any damages to property are my personal responsibility.
- I will seek to glorify God through my hard work, my positive attitude, and my healthy relationships during the entire **BOUNCE** experience.
- I understand that my persistent failure to abide by the **BOUNCE** Participant Guidelines could result in an early trip home at my parent's/guardian's expense.

# BOUNCE PARTICIPANT SUPPLY LIST

You may be wondering, “What do I need to bring with me to **BOUNCE**?” Excellent question! Here’s the list of things you will need, a few optional items, and what needs to stay at home.

## BRING:

- ☐ Your **BIBLE** for worship, devotionals, and quiet time
- ☐ A **TWIN-SIZED** Air-Mattress or Cot (Space is often limited, so no large air-mattresses please)
- ☐ Sleeping Bag or Bed Sheets

# MEDICAL CARE AT BOUNCE

Here are a few things you, as a Group Leader, need to know:

- ❖ Each participant must have a signed and notarized **Participant Form** containing Medical Information. Group Leaders must submit **Participant Forms** to the **BOUNCE** Mission Administrative Specialist (MAS) upon arrival at the mission. Group Leaders are **strongly encouraged to keep a copy of the Participant Form for their own records**. The **Participant Form** must have a copy of the participant's insurance card attached. **PLEASE NOTE:** Participants (youth or adults) will not be allowed to work without a completed **Participant Form**.
- ❖ Participants must have medical insurance to participate with BOUNCE. **BOUNCE**, the BGCT (Texas Baptists), or the church/school housing participants are not financially responsible for any **BOUNCE** participant who is injured or becomes ill at/during the **BOUNCE** Mission. If a participant does not have medical insurance, and you, the group leader, agrees they can come with your church, the church or the participant is responsible to provide a short-term medical insurance policy for them at no cost to BOUNCE or its affiliates.
- ❖ The Group Leader has primary responsibility for medical care and **distribution of any prescription medications** for their group members.
- ❖ If a **BOUNCE** participant goes to the hospital during a mission, an adult sponsor must accompany the participant. The Mission Coordinator and Group Leader must be immediately informed, and the Group Leader or a representative from their group will be taken to the hospital as soon as possible. A member of Team **BOUNCE** will also deliver a copy of the **Participant Form** to the hospital or medical facility.
- ❖ If a **BOUNCE** participant is too ill to accompany their Ministry Team to the worksite, the Mission Coordinator must be alerted immediately. Arrangements will be made for the individual to remain at the lodging facility with an adult from their youth group.

## FIRST AID COORDINATOR

The Mission Coordinator (MC) for your **BOUNCE** Mission will enlist individuals to serve as First Aid Coordinator(s) (FAC). In many cases, they may ask if you have someone from your group who might be willing to serve in this capacity. The FAC requirements and responsibilities are as follows:

- ❖ FAC must have basic First-Aid training and be certified by a recognized organization, like the American Red Cross or the American Heart Association.

## Medical Care at BOUNCE continued:

- ❖ FAC will render basic first-aid and fill out a First-Aid Report whenever first-aid is administered. The FAC will also recommend if a participant needs a physician's care or will call emergency personnel if needed.
- ❖ FAC will also be asked to train the Ministry Team "Doc's" (Ministry Team Position in charge of the Team's First Aid Kit).
- ❖ FAC will not serve on a Ministry Team, but will be stationed at the Lodging Facility. They will be able to occasionally travel to Ministry Worksites to visit Teams, but will remain at the Lodging Facility most of the workday.
- ❖ FAC will administer over-the-counter medications **only with permission** of the Group Leader or Parent or Guardian.
- ❖ If someone from your group is enlisted to serve as FAC, they will be able to participate at a reduced rate of \$75.

If you have physicians, nurses, or emergency medical personnel with your group, please make sure the Mission Coordinator is aware they are at the mission. It is helpful to know in case they may be needed in an emergency situation.
