In your new home, you will be immersed in a community of Arab Muslims, including refugees from war torn middle eastern nations. Your main goal will be to build deep relationships with neighbors, friends, and business contacts, sharing the Gospel through stories and conversations. Living life-on-life with your neighbors will provide opportunities to talk about the hope we have in the Savior. The weather is hot, the people hospitable, and the enemy's hold is strong. But you have their deepest need: the hope of Jesus!

Total Cost of Project & Amount You Raise

The "amount you raise" is the minimum portion of the amount you will raise if appointed to the project. The "total cost of project" is what it costs to send a student missionary to serve in this project. It includes transportation, housing, meals, insurance, personal incidentals, training materials, and interviews. The balance between the two is raised by BSM groups all across Texas. In effect, all students serving through Go Now receive a scholarship. Any funds you raise above the minimum amount will be applied to the total cost of the project.

ESL Class Support

MISSION FOCUS: International, Apartment & Urban Ministry

DATE: Aug. 9 - Dec. 17, 2021, Orientation May 21 - 23, 2021

You will serve alongside our team of full time staff members and will experience the life of a missionary by engaging unreached refugees with prayer, love, and Truth. Since 2000, Texas has received roughly 11% of the United States' refugee resettlement cases. Many of those refugees, which come from nations unreached by the gospel, are placed in the Dallas/Fort Worth metroplex. Our teams live in low-income apartment complexes surrounded by these refugees. We research and learn about the unreached people groups living around us and discover new ways to connect relationally. We teach English, deliver furniture, make home visits, teach job skills, teach life skills, and host gospel storytelling groups. Expect to meet Muslims, Buddhist, Hindus and non-religious people. The people groups we work with are from Iraq, Syria, Iran, Myanmar, Congo, Sudan, Somalia, Nepal, and Afghanistan. You will be coached by GoTEN missionaries on a daily basis and attend staff development days each week with all GoTEN staff.
