## East African Refugees

**MISSION FOCUS:** Refugee Ministry, Children's Ministry

**DATE:** June 2 - Aug. 1, 2022, Orientation May 20 - 22, 2022

His light, His love, and His joy are breaking into the darkness through friendships. Your task is to develop community with the refugee families who have lived in the Midwest for up to twenty years while maintaining traditional dress, cooking, and folk Islam practices. The children in this neighborhood are the second generation to live in the USA. Few have ever visited Africa. Their English skills are significantly higher quality than their parents. They are obedient to traditions out of respect, but their hearts and minds are becoming western. Their souls are confused, conflicted, and could be ripe for harvest. Part of your training will be to learn and understand honor-shame based cultures and to use biblical stories in the context of an honor-shame mentality. Parents tenaciously hold to tradition, many fathers still follow Sharia, Islam law, and many mothers have horror stories of fleeing Eastern African countries. They also have heart-breaking stories of shame assimilating into Western culture and American school systems, while trying to learn English to survive. Be HIS light, love and joy this summer! Your first stop after you leave home will be a joint orientation with other Nehemiah Teams (NT). You will return to the U.S. for a joint debrief with other Nehemiah Teams. Participants must attend the entire program from NT Orientation through the end of debriefing.

Don't know how to fish for "fish" or "men".....???? No worries, we will teach you. There are no known believers in this target group. You will learn fishing, go hiking, and see the majestic island sights to gain access to a normally inaccessible people. ## Handicrafts that bring HOPE

**MISSION FOCUS:** Women's Ministry, Unreached Peoples, Church Planting

**DATE:** May 23 - July 4, 2022, Orientation May 20 - 22, 2022

In 2017 we started a small handicraft project as an attempt to gain entrance into communities and into women's lives with the goal of sharing the Gospel and planting house churches. It very quickly grew into a huge project and eventually a non-profit of its own. What we have seen over the last few years is that, despite the often horrifying realities they live in, a tiny piece of hope can change everything. As our women meet in small groups, build community, and meet weekly to hear Bible stories and pray for each other, they begin to carry each other's burdens. Through the stories, they begin to learn that they do have worth, purpose, and skills and a small flame of hope sparks. They start believing they might be good at something and that they might be worth more than they have been told. Then, they start believing there might be something to this Jesus. That is what this project is all about. Join us for a summer of investing in the lives of women, their families, and their communities as we share the Gospel, disciple, and start house churches among the lost!

## Making South Asian Disciples

**MISSION FOCUS:** Immigrants, Urban Ministry

**DATE:** May 23 - July 22, 2022, Orientation May 20 - 22, 2022

We work among Muslims, Hindus, Buddhists, and Sikhs; primarily people from the least-reached people groups of South Asia. Our church was planted 5 years ago in the beautifully diverse neighborhood of Jackson Heights, Queens NYC. We began gathering every Sunday at a Muslim restaurant to cultivate a disciple-making culture of "go to them" rather than "come to us". We trust in Jesus' promise "No one can come to me unless the Father who sent me draws them, and I will raise them up at the last day." (John 6:44). As a church, we run the South Asian Community Center in the heart of our neighborhood. At the Center, we offer Free ESL, citizenship, and computer classes throughout the year. Your main objective is to find "persons of peace" and seekers from a non-Christian background and disciple them into the way of Jesus. You will be trained and equipped to share the Gospel and engage lostness in our unique South Asian context. Some of your priorities and activities for the summer will be helping with English classes and after-school programs at the Community Center, following-up with new students and seekers at the Community Center, engaging in conversations at "Diversity Plaza" and community parks, visiting homes and businesses of "persons of peace," training mission teams, and serving at our local church. You will greatly multiply our efforts to reach the last frontiers of unreached people groups whom God is Sovereignly bringing here "so that they would seek him and perhaps reach out for him and find him." (Acts 17:27)

**LOCATION:** New York City, NY

**SPECIAL REQUIREMENTS:** Must have a heart and passion to share the Gospel specifically with South Asian people. Need to be comfortable in a multicultural and multiethnic community atmosphere and willing to share the Gospel with people from all religions and backgrounds. Other helpful skills: teaching background, musical talents, audio/video editing experience, and ability to speak Hindi or Spanish.

Our team members serve the refugee community by offering free English classes to adult students during the school year. In the summer, we continue our relationships with students by visiting them in their homes and helping with practical issues, like reading mail or scheduling doctor/dental appointments. While we spend time with students and their families, we look for Spirit-led opportunities to share Truth through Bible stories. We also share our faith in everyday situations. You will be part of the Refugee Ministry Team for the summer, engaging with refugee kids in our summer kids' program, meeting their families, and experiencing the life of a local missionary to refugee families. The summer education enrichment program will run 3 days per week. The program will take place in an apartment. Outside of the program, you'll visit the families of these kids in their homes. You will be living in an apartment complex where refugee families live and have the opportunity to build friendships with those families outside of the Kids' Program. ## Outdoorsmen Adventure

**MISSION FOCUS:** Outdoor Ministry, Children's & Youth Ministry

**DATE:** June 14 - July 28, 2022, Orientation May 20 - 22, 2022

Outdoorsmen Church is a culturally relevant church planted in 2005 with the vision of 'outfitting the body to rescue the searching through uniquely Montanan ministries'. Our relaxed services are only midweek. The most impactful way to reach the unchurched is through building genuine relationships with them, which is done shoulder to shoulder. That means instead of sitting at a coffee shop talking about Jesus, you'll be talking about him as you go camping, or backpacking, or kayaking, or walking around the weekend market, or even at church. Montanans are very active and mostly live here to enjoy the outdoors. That's why we've geared our church to be able to be out there with them while doing the things we love to do as well! You will go on missional expeditions where you will seek to build bridges with the lost. Every activity in the outdoors is an opportunity to build relationships whether it's camping with the unchurched, backpacking and adventuring around the Missoula area, serving in children's ministry or youth at Wednesday service, or even helping to plan youth events. You need to enjoy working with children, have an interest or passion for the wild outdoors (you could be sleeping in tents at times), and be an excellent team player with a servant's heart.

**LOCATION:** Missoula, MT

**SPECIAL REQUIREMENTS:** Must love working with kids. Outdoors skills will come in handy, such as archery, shooting, first aid, and survival skills. Must be teachable, a team player, and desire for others to know Jesus.

This is an opportunity to follow the ways, words, and works of Jesus through service with new expressions of the Family of God in one of the most spiritually curious cities in North America, where 42% of the population reports "No" religious affiliation. This will be both a self-directed and a directed experience. You will have the freedom to create a unique Missional expression with your team while also serving alongside a newly established church, using your skills and gifts to see new disciples engaged, relationally connected and introduced to a new family of faith. ### Team Taunus

**MISSION FOCUS:** Collegiate Ministry, Children's & Youth Ministry

**DATE:** June 2 - July 19, 2022, Orientation May 20 - 22, 2022

Are you willing to leave your comfort zone to impact the nations with the Gospel? Are you outgoing and willing to initiate contact with people who are different from you? Would you consider a missions opportunity that ALSO includes the opportunity to really get to know the people of an international church? If you are selected for Team Taunus, you will be ministering in two German cities and two German states through a variety of exciting ministries! The first major assignment is to do outreach on one of the largest and oldest university campuses in Germany. This will include ministering as a team, as well as reaching out and building relationships as individuals. Evangelism in Germany is almost always a relationship building process and it takes someone who is willing to invest time in getting to know people and be intentional in sharing their faith. It is NOT a program. Contacts and connections with existing (German language) ministries on campus can help provide important cultural context, but you MUST be willing to be creative and intentional in getting to know people and investing in them. The remaining part of your time will be involved in outreach through the church. Immanuel is an international church with ministry not only to US military families but to people from over 30 different nationalities. The ministry is ever-changing and Team Taunus members must be flexible, willing to work hard to build connections and work hand in hand with church members in ministries ranging from youth to children's ministry. Flexibility, an ability to engage people from a large variety of cultural backgrounds, and being a self-starter are key abilities needed!

**LOCATION:** Germany

**SPECIAL REQUIREMENTS:** Must have a passport or have applied for one by Feb. 4, 2022.

Must be a Sophomore or above (in second year of college after high school graduation). Must be independent, outgoing, creative, willing to adapt, and willing to love people from different backgrounds. Need to be willing to work independently, not just with a team. Need to be able to find opportunities, rather than needing an hour-by-hour schedule. Must be mature and able to direct conversations without being offended by those who disagree with you. Need a heart for building relationships with not-yet-believers. German language skills are a PLUS!

**TEAM:** 2 Males, 2 Females

**AMOUNT YOU RAISE:** \$2,400 (\$3,200 total cost of project)

Prayer walking will be an integral part of this project. You will also have the opportunity to do outreach among NAME peoples in the GTA through kids and youth activities such as outdoor play, conversation clubs for adults, evangelism in parks and public squares, and social media campaigns. Toronto is one of the most ethnically diverse cities in the world. Canadians are overwhelmingly secular/post-Christian but with the ethnic diversity you will see all the major religions represented here.

**LOCATION:** Toronto, Canada

**SPECIAL REQUIREMENTS:** Must have a passport or have applied for one by Feb. 4, 2022. Must be a Sophomore or above (in second year of college after high school graduation). ## Backpacking in the Jungles

**MISSION FOCUS:** Unreached Peoples

**DATE:** June 1 - June 28, 2022, Orientation May 20 - 22, 2022

You will serve in a district that is made up of 1367 villages and is home to 257 Unreached People Groups. This district is 70% Hindu, 30% Muslim, and 98.5 % unreached with the Gospel of Jesus Christ. From top to bottom God's beautiful creation shines through the miles of endless mustard fields, dense tropical landscape, and abundance of creatures of all shapes and sizes. The people living there have been blinded and instead worship idols with eyes that cannot see and ears that cannot hear. When you join our team you will jump into the middle of an emerging movement! Our vision is that every person in this district and the surrounding regions would have the opportunity to hear the Gospel, be disciplined, and be part of a healthy, locally led house church. We do that by training up local believers and walking with them as we systematically move through our district sharing the Gospel and looking for where it is taking root. God is moving and we are seeing people believe and house churches begin to gather to study the word together. Join us for adventure-filled few weeks of traveling our district and living in the dense jungle and rural villages that make it both amazing and difficult to reach, both with vehicles and the Gospel!

As a Northwest Campus Missionary Intern (CMI), you could be working at the University of Oregon, Oregon State University, Portland Metro, or Seattle Metro, depending on your interest. There is a tremendous need on Northwest campuses to have missionaries who are committed to share the gospel, disciple believers and lead out in ministry to the campus and students. As a CMI you will work in a team context with the opportunity to develop and implement a strategy to reach the campus to which you are assigned.

**LOCATION:** Northwest, first priority is Oregon State University, other campuses possible.

**SPECIAL REQUIREMENTS:** Must be a Senior or above (in fourth year of college after high school graduation). Need to be flexible, available, and teachable. It is helpful if you have previously served as a BSM leader or CMI in the past year.

**TEAM:** 2 Students, recent graduates, or CMIs presently serving.

**AMOUNT YOU RAISE:** \$4,500 (\$10,000 total cost of project)

## TOTAL COST OF PROJECT AND THE AMOUNT YOU RAISE

The "amount you raise" is the minimum portion of the amount you will raise if appointed to the project. It includes transportation, housing, meals, insurance, shots, personal incidentals, visa, training materials, interviews & orientation. The balance between the two is raised by BSM groups all across Texas. In effect, all students serving through Go Now receive a scholarship. Any funds you raise above the minimum amount will be applied to the total cost of the project.

### Restoring Hope

**DATE:** Aug. 20 - Nov. 10, 2022, Orientation May 20 - 22, 2022

Restoring Hope Village provides a home, love, protection, and a push towards Jesus for the children who are orphaned, abandoned, and/or neglected in the poverty-stricken mining town of Welkom. We currently have 26 children living at the Village. Each child is placed in a home with a native "Mother" and six other children where they live as a family. We are looking for students willing to come alongside the full-time Village Staff to accomplish daily tasks of Village life and invest in the lives of our children. You will serve through tutoring, recreation, evangelism, discipleship, teaching children to work, serve, love, and through all these areas to ultimately depend on Christ. A normal week consists of daily homework/tutoring, grocery shopping, cleaning, mowing, office work, babysitting, and/or Village maintenance. Currently, we have construction projects for young men. We need guys who are willing to serve the staff to train our boys to be Godly men. Serving at a children's home isn't just for the ladies.
