We are looking for students who are passionate about the Gospel and bringing the good news to children. You will have the opportunity to display your faith in every action, word, and deed. Our mission for you is to build deep, meaningful relationships with our children who need to see what it looks like to follow Christ. Our kids are truly some of the best kids out there. They all just deal with a great amount of trauma. And because of that trauma, there comes a good deal of trust issues. So, you would be here to help build meaningful relationships with our kids that help start them on the road towards healing. You will live on the beautiful campus where the children are. You will eat with them almost every day and will lead activities that range from basketball, dodgeball, tag, volleyball, kickball, line tag, and swimming. We will go on trips to the zoo, the aquarium, the bowling alley, the movies, ice skating, and have girls and guys days. You will supervise our kids, building relationships with them, making sure that they are safe and behaving in a Christ-like manner, and encourage them to follow Christ. Alfa Camp

MISSION FOCUS: Camp, Children, Teach English

DATE: June 10 - July 23, 2023, Orientation May 19 - 21, 2023

Our location is a beautiful vacation destination. But it is also home to many people who know absolutely nothing about the true gospel and the hope we have in Jesus! Each July, El Colegio Alfa y Omega opens its door for Day Camps. The attraction? Childcare for working parents. Our goal? To share the love of Jesus in an engaging way through games, crafts, sports, and stories. Many children know about Baby Jesus of Christmas, some may have seen the crucified Jesus in the many Catholic fiestas, but they don't realize He's the same person, who loves each one of them personally. As well as helping in the camps, you will be responsible for cleaning dishes after serving lunch, helping care for babies and toddlers who also come for Day Camp but are too young for the full program, and general maintenance of our lovely property. Relationship building here is the best way to share God's love. A former Go Now volunteer coined the phrase: "Alfa Changes Lives!" We know that only GOD changes lives, but your experience will be life changing.

Team Taunus

MISSION FOCUS: College Ministry, Evangelism, Children

DATE: June 1 - July 17, 2023, Orientation May 19 - 21, 2023

Are you willing to leave your comfort zone to impact the nations with the Gospel? Are you outgoing and willing to initiate contact with people who are different from you? Would you consider a missions opportunity which ALSO includes the opportunity to really get to know the people of an international church? You will be involved in an exciting ministry in two German cities, two German states, and a variety of ministries! The first major assignment is to do outreach on several university campuses in Wiesbaden and in Mainz. This will include ministries as a team, as well as reaching out and building relationships as individuals. Evangelism in Germany is almost always a relationship building process and it takes someone who is willing to invest time getting to know people and be intentional in sharing their faith. It is NOT a program. You MUST be willing to be creative and intentional in getting to know people and investing in them. The remaining part of your time will be involved in outreach through the church. Immanuel is an international church with ministry not only to US military families, but to people from over 30 different nationalities. The ministry is ever-changing and you must be flexible, willing to work hard to build connections and work hand in hand with church members in ministries ranging from youth to children's ministry. Flexibility, an ability to engage people from a large variety of cultural backgrounds and is key for this position! The pace of life is slower than in the USA and success is not measured in your ability to be super busy, but in finding creative ways to engage and build relationships. If you love people and are willing to invest in a very relational ministry, Team Taunus might just be a great fit for you!

LOCATION: Germany

SPECIAL REQUIREMENTS: Must be: independent, outgoing, creative, willing to adapt, and love people. Not afraid to work independently (not just in the team setting) and able to find opportunities where they present themselves, rather than needing an hour by hour schedule. Willing to travel alone on public transportation. Mature and able to have "direct" conversations without being offended by those who disagree with you (direct conversation is a typical German approach). Have a heart for building real relationships with not-yet- believers. German language skills are a PLUS! Must have a passport or have applied for one by Feb. 3, 2023. After appointment, you will be required to be vaccinated for: COVID (2 shots) by May 1, 2023. (Will be reimbursed for required shots.)

True North

MISSION FOCUS: Refugees/Immigrants, Evangelism, Urban Outreach

DATE: June 12 - Aug. 1, 2023, Orientation May 19 - 21, 2023

Proclaim the gospel to refugees and immigrants from the North African and Middle Eastern (NAME) region in one of the most diverse cities in North America. These newcomers arrive from countries that are often closed off to the gospel, so most have never heard the good news. Also, their exposure to war and hardship often leaves them seeking answers that we know can only be found in Jesus. Now, however, they live in a city where they have freedom to genuinely search for truth, but they still need someone to share with them. We're looking for outgoing and relational people who have a passion for taking the gospel to these people from diverse backgrounds. You will seek to meet NAME peoples through a variety of activities in the city, such as meeting people in parks, playing pick-up sports, or doing English conversation clubs, all with the purpose of creating opportunities to share the truth of the Gospel with them. We will train you in different strategies for being able to start these conversations and steer them toward the gospel. You will also participate in intentional prayer walking and ethnographic research of communities to help reach more people in the future. So, head north this summer and share the truth with NAME peoples.

LOCATION: Toronto, Canada

SPECIAL REQUIREMENTS: Able to navigate a variety of different cultures, be independent and be able to work on your own as the summer progresses. Any Arabic language study would be beneficial but not necessary. Be self-starters and able to work with people of a variety of ages. Must have a passport or have applied for one by Feb. 3, 2023. Must be a Sophomore or above (in second year of college after high school graduation). After appointment, you will be required to be vaccinated for: COVID (2 shots) by May 1, 2023. Youth Leader

MISSION FOCUS: Youth Ministry, Expat Ministry

DATE: June 1 - Aug. 1, 2023, Orientation May 19 - 21, 2023

We are an international fellowship. Our body is comprised of believers from over ninety nations who have come to work for the national oil company. As an expat community, we have the great privilege of gathering together as many cultures and many nations in the only legal fellowship in the country. Great discretion is required of our body in order to continue enjoying the freedom to meet and serve one another. We are seeking a summer youth intern. Because of our location and the diversity of our body, this would be a very rich and rewarding opportunity for a young man who has shown great personal maturity, spiritual depth, and an ability to work well with people from different cultures and backgrounds. Our summers here are very transitional with many families leaving for expat travel at different points, and we would rely heavily on a youth intern to plan events, studies, and fellowship times for the youth who will be in country during the season. Responsibilities and duties would include the above mentioned, of course, but the greatest duty of a youth intern would be to simply spend time ministering to and enjoying friendships with our extraordinary students. This is not a normal youth ministry job. This would be like seeing a picture of what heaven will one day be like, as our youth intern would work with students and adult volunteers who are vastly different yet united as brothers and sisters serving Christ together.

LOCATION: Middle East

SPECIAL REQUIREMENTS: Must be a mature leader who can work in a sensitive area of the world. Must be a self starter and be able to teach the word of God. The biggest qualification is the desire to spend your time with our teenagers. Social media would be restricted while in country for the sake of our body. Must have a passport or have applied for one by Feb. 3, 2023. After appointment, you will be required to be vaccinated for: COVID (2 shots), Hepatitis A, Hepatitis B and Typhoid by May 1, 2023. Over 100,000 West African Muslims live throughout the five boroughs of New York City and many have never personally met a Christian or even have the complete Bible in their own language. Some come here just to get a job and send money back home to help support their families. Others come with their families to find more opportunities for wealth and education. Each of those coming to America are seen as providers for their communities back in West Africa and are an even greater gateway to that community that hasn't heard the Gospel. Our main goal is to search out and rediscover these communities to find people of peace, people that desire to hear the Gospel. We have already begun some rediscovery of these communities since COVID, and we are needing more laborers to work alongside us. Come serve with us and help us see with fresh eyes. This is an opportunity for you to jump into discipling college students and peers to follow Christ and share His word daily. Our goal is reaching the many UPG's in our region, so bring creative ideas and help brainstorm ways to reach those in the far mountains or jungles as well! Urban Seed Sowing

MISSION FOCUS: Teach English, Unreached Peoples, Prayer Walking

DATE: July 1 - Nov. 30, 2023, Orientation May 19 - 21, 2023

Over 100,000 West African Muslims live throughout the five boroughs of New York City and many have never personally met a Christian or even have the complete Bible in their own language. Some come here just to get a job and send money back home to help support their families. Others come with their families to find more opportunities for wealth and education. Each of those coming to America are seen as providers for their communities back in West Africa and are an even greater gateway to that community that hasn't heard the Gospel. Our main goal is to search out and rediscover these communities to find people of peace, people that desire to hear the Gospel. We have already begun some rediscovery of these communities since COVID, and we are needing more laborers to work alongside us. Come serve with us and help us see with fresh eyes. Activities include teaching English classes, prayer walks, visiting (mosques, shops, homes, etc.), and developing lasting relationships to lead into Bible Studies. Everything will feed into the larger strategy of gaining access to a people group to share the gospel and multiplying disciples
