Collegiate & Community Outreach

MISSION FOCUS: Collegiate Ministry, Community Outreach

DATE: June 15 - Aug. 1, 2022, Orientation May 20 - 22, 2022

Our church is near several college campuses and our desire is to begin prayer walking, having conversations with students, and creating some casual summer environments to establish relationships and encourage spiritual conversations around life and the Gospel of Jesus. Our hope is to see where there may be opportunities to continue ministry on some of the local college campuses. You will have the opportunity to go to the campuses regularly and engage in prayer walking, conversations with students (if possible), lead service opportunities to minister to them, and host fun gatherings to make connections with students. One goal would be to identify local college campuses to initiate further collegiate groups and disciple-making in the future. When not engaging in campus ministry, you will help with outreach, camps and other ministries at the church. We host a variety of events in the summer such as sports camps, Vacation Bible School, and other outreach projects and servant evangelism projects throughout the summer.

East African Refugees

MISSION FOCUS: Refugee Ministry, Children's Ministry

DATE: June 2 - Aug. 1, 2022, Orientation May 20 - 22, 2022

His light, His love, and His joy are breaking into the darkness through friendships. Your task is to develop community with the refugee families who have lived in the Midwest for up to twenty years while maintaining traditional dress, cooking, and folk Islam practices. The children in this neighborhood are the second generation to live in the USA. Few have ever visited Africa. Their English skills are significantly higher quality than their parents. They are obedient to traditions out of respect, but their hearts and minds are becoming western. Their souls are confused, conflicted, and could be ripe for harvest. Part of your training will be to learn and understand honor-shame based cultures and to use biblical stories in the context of an honor-shame mentality. Parents tenaciously hold to tradition, many fathers still follow Sharia, Islam law, and many mothers have horror stories of fleeing Eastern African countries. They also have heart-breaking stories of shame assimilating into Western culture and American school systems, while trying to learn English to survive. Be HIS light, love and joy this summer! Your first stop after you leave home will be a joint orientation with other Nehemiah Teams (NT). You will return to the U.S. for a joint debrief with other Nehemiah Teams. Participants must attend the entire program from NT Orientation through the end of debriefing.

LOCATION: Columbus, OH

SPECIAL REQUIREMENTS: Able to build relationships and invest in people. Helpful but not required is previous experience with refugees, immigrants, or International students.

TEAM: 1 Student (Will join a student already appointed)

AMOUNT YOU RAISE: \$1,850 (\$2,285 total cost of project)

Outdoorsmen Adventure

MISSION FOCUS: Outdoor Ministry, Children's & Youth Ministry

DATE: June 14 - July 28, 2022, Orientation May 20 - 22, 2022

Outdoorsmen Church is a culturally relevant church planted in 2005 with the vision of 'outfitting the body to rescue the searching through uniquely Montanan ministries'. Our relaxed services are only midweek. The most impactful way to reach the unchurched is through building genuine relationships with them, which is done shoulder to shoulder. That means instead of sitting at a coffee shop talking about Jesus, you'll be talking about him as you go camping, or backpacking, or kayaking, or walking around the weekend market, or even at church. Montanans are very active and mostly live here to enjoy the outdoors. That's why we've geared our church to be able to be out there with them while doing the things we love to do as well! You will go on missional expeditions where you will seek to build bridges with the lost. Every activity in the outdoors is an opportunity to build relationships whether it's camping with the unchurched, backpacking and adventuring around the Missoula area, serving in children's ministry or youth at Wednesday service, or even helping to plan youth events. You need to enjoy working with children, have an interest or passion for the wild outdoors (you could be sleeping in tents at times), and be an excellent team player with a servant's heart.

LOCATION: Missoula, MT

SPECIAL REQUIREMENTS: Must love working with kids. Outdoors skills will come in handy, such as archery, shooting, first aid, and survival skills. Must be teachable, a team player, and desire for others to know Jesus.

TEAM: 1 Student (Will join one student already appointed)

AMOUNT YOU RAISE: \$770 (\$1,025 total cost of project)

Making South Asian Disciples

MISSION FOCUS: Immigrants, Urban Ministry

DATE: May 23 - July 22, 2022, Orientation May 20 - 22, 2022

We work among Muslims, Hindus, Buddhists, and Sikhs; primarily people from the least-reached people groups of South Asia. Our church was planted 5 years ago in the beautifully diverse neighborhood of Jackson Heights, Queens NYC. We began gathering every Sunday at a Muslim restaurant to cultivate a disciple-making culture of "go to them" rather than "come to us". We trust in Jesus' promise "No one can come to me unless the Father who sent me draws them, and I will raise them up at the last day." (John 6:44). As a church, we run the South Asian Community Center in the heart of our neighborhood. At the Center, we offer Free ESL, citizenship, and computer classes throughout the year. Your main objective is to find "persons of peace" and seekers from a non-Christian background and disciple them into the way of Jesus. You will be trained and equipped to share the Gospel and engage lostness in our unique South Asian context. Some of your priorities and activities for the summer will be helping with English classes and after-school programs at the Community Center, following-up with new students and seekers at the Community Center, engaging in conversations at "Diversity Plaza" and community parks, visiting homes and businesses of "persons of peace," training mission teams, and serving at our local church. You will greatly multiply our efforts to reach the last frontiers of unreached people groups whom God is Sovereignly bringing here "so that they would seek him and perhaps reach out for him and find him." (Acts 17:27)

LOCATION: New York City, NY

SPECIAL REQUIREMENTS: Must have a heart and passion to share the Gospel specifically with South Asian people. Need to be comfortable in a multicultural and multiethnic community atmosphere and willing to share the Gospel with people from all religions and backgrounds. Other helpful skills: teaching background, musical talents, audio/video editing experience, and ability to speak Hindi or Spanish. Must be fully vaccinated for COVID to serve in this position.

You will also make meals for the elderly who are no longer able to work. There are many newborns who are facing malnourishment. You will help provide meals for young families while a network of nurses provides medical care for the children. You might also have the opportunity to help build water wells.

Engaging the Nations

MISSION FOCUS: Neighborhood Outreach, Unreached Internationals

DATE: Aug. 23, 2022 - May 16, 2023, Orientation May 20 - 22, 2022

The next best thing to being an overseas missionary is to serve as a missionary in an apartment in Houston. Your apartment complex will contain more Hindus, Muslims, and Buddhists than Christians. You will hear other languages spoken more often than English. The smell of masala will permeate your apartment complex. Your living room will have a large Afghan carpet with cushions and no sofas or entertainment system. When neighbors enter your apartment, they will feel at home. Each week you and your roommate will meet with your missionary team to discuss strategies for ministering to your neighbors and indigenous ways of sharing the good news of Jesus. Your goal is to establish an ongoing Bible study with your apartment neighbors on your living room rug. Your team will reach out to local churches for the purpose of involving them in mission work. You will become proficient in leading church groups on tours in local mosques and temples. Churches will donate diapers, furniture, and food for the needy living among you. Monthly volunteer mission groups from around the U.S. will come work alongside you. When you complete this assignment, your parents and friends will not recognize you. You will be speaking a different language, wearing different clothes, and eating unusual foods. Most recognizable will be the enlarged size of your heart for the lost and loud sounds coming from your heart of passion for lost Hindus, Muslims, and Buddhists.

SPECIAL REQUIREMENTS: Must be a Junior or above (in third year of college after high school graduation). Must have a passion for learning a new culture and willingness to learn basic phrases of a new language. Must be able to try new and unusual foods.
