Students wearing inappropriate clothing (i.e., sheer or tight clothing) will be asked to change. Students should wear clothes that will allow them to be comfortable sitting on the ground/in the grass at various times of the day and night. Students must change clothes in privacy (alone) and at no point shall a student be less than fully dressed in the presence of others, including in their dorm room with roommates.

## **NOTES FOR PACKING MEDICATIONS**

All medications should be packed in a clear ziploc bag with the first and last name of the student written on the outside of the bag. All medications and supplements **MUST** be checked in by the church group leader during check-in on Monday.
