

MAKE AN IMPACT THROUGH RIVER MINISTRY

EVANGELISTIC SOCCER BALLS

Help provide an evangelistic tool that has been used by many of our ministry partners to hold soccer tournaments. Many tournaments are in areas where other organizations do not provide services. The ball is used to share the gospel with the players and spectators during half time of each game. All teams in the tournament are given one of these soccer balls.

Thank you for helping share the hope of Christ on the border and in Mexico. Please send donations to:
