

MAKE AN IMPACT THROUGH RIVER MINISTRY

VACATION BIBLE SCHOOL KIT

Many churches on the border are capable of organizing their own Vacation Bible School (VBS), but do not have the funds to buy VBS materials. A donation of \$250 will provide a church on the border with a VBS Kit. This kit will provide the church with materials to share the good news of Christ with 75 children in their community.

To help us share the Hope of Christ on the border, please send donations to:
