## Mary Hill Davis

*The Woman's Missionary Union's principal focus encourages mentoring and discipleship. Mary Hill Davis' life depicts those qualities. During her presidency of WMU of Texas, Mary created and developed organizations to teach women about mission work, which led to the origin of the Royal Ambassadors in 1908 and the Girl's Auxiliary in 1913. These organizations continue to disciple young boys and girls through missions' stories and Bible stories. Mary realized the mission field encompassed many challenges and opportunities. She saw the opportunity to alleviate some of those challenges by encouraging churches to pray and give to mission work. By advocating these needs, Mary provided financial stability for missionaries in the field by supporting the work of missions worldwide.*

*Mary saw the need to promote and support missions internationally and in her own state of Texas. Due to her commitment, the state missions offering became her namesake in 1935. Today, her legacy continues as the Mary Hill Davis Offering® for Texas Missions, which supports approximately 80 programs and ministries across the state.*
