TXB Missionaries raise support and commit to at least 20 hours/week in a mission setting. These missionaries are appointed by the Baptist General Convention of Texas after a proper background check and screening. Check them out at txb.org/ministries/txb-missionaries.

River Ministry Missionaries have been serving the border for over 50 years by connecting churches to mission projects on the border and in Mexico. To see a list of our missionaries or contact them, go to txb.org/riverministry.

MAP Missionaries work to build churches around the world and you can support them with monthly funds, prayer, and encouragement. The Missionary Adoption Program matches a Texas church with a missionary in another country where we have a partnership with a Baptist entity. To learn more or fill out an interest form, go to txb.org/map.

Church Catalysts equip a growing Christian to reach multi-housing residents. A multi-housing church is much less organized than a sponsor church, but it still has all the basics of church life, but could be located in an apartment, park, or home. Check out more about Multi-Housing here <https://www.texasbaptists.org/ministries/multi-housing-and-house-church-planting>

These mission opportunities are made possible by your gifts to the Mary Hill Davis Offering for Texas Missions, Center for Missional Engagement, Cooperative Giving, and BGCT WW (World Wide).
