

WORKSHOP PLANNING GUIDE

First time attending Pursue? No problem! Whether you're a WMU leader, church volunteer, or a student with a heart for missions, we have a workshop for you.

If you're not sure which workshops will best serve you and your area of ministry, use this jump-start guide to plan your workshop journey.

There are a total of 8 workshop opportunities.

This guide will suggest four workshops, and you will have four workshop slots to fill on your own. We recommend using the **Plan Your Tracks** page to design your own track.

Reminder: These workshop tracks are suggestions. You are free to select any workshop that best fits your needs and interests.

Finally, this guide does not include all of the workshops available. For the full list with descriptions, visit **wmutx.org/pursue**.

Contact the WMU of Texas team at (214) 828-5150 or wmutx@texasbaptists.org with any questions.

SUGGESTED WORKSHOP TRACKS

This guide will suggest four workshops, and you will have four workshop slots to fill on your own. We recommend using the **Plan Your Tracks** page to design your own track.
