Camp can bring healing

After the tragedy in Uvalde in May 2022, some of the kids from the school had a chance to join Menard's Family camp.

There, they found adults willing to listen, kids they could confide in, and experience emotional healing through the presence of the Lord.

Brad Blanchard's Grandson

Cohen has attended camp for a couple of years. This year, during bible study time, he decided to follow Jesus!

After returning from camp and sharing with his church, he had a chance to tell others through baptism

Benny baptizes his youngest son at Menard

Benny and his family have been baptized in the San Saba river at Camp Menard. After his youngest son, Benito, decided to trust Jesus at home the year before and was ready to be baptized like his brothers.

During RA Camp at Menard in July 2022, Benito got to share with the other boys through his baptism that he follows Jesus.
